5. Awards to students are made in two different ways. 1) Those enrolled in BI 200 and CH 100 were awarded block grants to help cover the increased cost in lab kits due to Covid. 2) Students are asked to apply for the grant through our website. Applications are reviewed by a committee.
6. Students have been asked to complete an application for additional expenses they have incurred during the COVID-19 crisis. Students have been asked to identify the reason for the request: food, housing, course materials, technology purchases, healthcare costs, childcare costs, or other COVID-19 related expenses. Awards are administered on a first-come, first-serve basis and it is strongly recommended that students have a FAFSA on file.
