Southeast West Campus
and Southeast Cancer Center

About Southeast Hospital

As the flagship of SoutheastHEALTH, Southeast Hospital is a highly respected, regional medical complex certified by The Joint Commission (TJC) and located in Cape Girardeau, MO. Inpatient services at this acute care facility include:

- » Cardiology, cardiac surgery and cardiac rehab
- » Labor/delivery, Level III NICU and Pediatrics
- » Oncology
- » Orthopedics
- » Psychiatry
- » Medical/surgical care
- » Neurosciences
- » Rehabilitation
- » TJC Primary Stroke Center
- » Two intensive care units

About Cape Girardeau

With a population of nearly 40,000, Cape Girardeau, MO, serves as the region's hub for medical services, arts, entertainment, industry, shopping and higher education. It is located less than two hours south of St. Louis along Interstate 55 and the Mississippi River.

- » Median household income \$49,615
- » 96.2% workforce employed
- » Cost of living 13.4% below national average
- » Average commute 20 minutes

About Residency

PGY1 Pharmacy Residency Program is accredited with American Society of Health-System Pharmacists (ASHP). During the 12-month program, residents will have the opportunity to practice in a variety of clinical settings to gain valuable skills and experience applicable to future careers.

ROTATIONAL EXPERIENCES

- » Internal Medicine
- » Critical Care
- » Cardiology
- » Neurology
- » Oncology
- » Antimicrobial Stewardship
- » Surgical Care
- » Small and Rural Practice

LONGITUDINAL EXPERIENCES

- » Management
- » Drug Information
- » Medication Safety

Research and Teaching

Southeast Hospital provides experiential training for students from University of Health Sciences & Pharmacy in St. Louis as well as other colleges of pharmacy. Residents will have the opportunity to participate in the Resident Education Academy through University of Health Sciences & Pharmacy in St. Louis.

The program offers individual mentoring, formal lectures from experienced faculty members and opportunities for teaching pharmacy students in required or elective courses.

Residents provide a formal seminar on a focused therapeutic topic to students, faculty and clinical pharmacists in the region.

Residents will be required to complete a research project suitable for publication and presented at a residency conference.

Benefits

Residents are paid a stipend of \$47,486 for the residency year. Additional benefits include paid time off, travel reimbursement for meetings and health, dental and vision insurance.
