

The Associate of Applied Science in Nursing is designed to prepare students for the National Council Licensing Examination for Registered Nursing (NCLEX-RN). The program incorporates valuable hands-on opportunities throughout clinical and classroom settings along with individualized instruction from faculty. Upon completing the program, students are prepared to work in a variety of settings and/or transition into a BSN completion program.

## TEAS Information

The ATI Test of Essential Academic Skills (TEAS) is a computer-based exam that is designed to assess a student's preparedness to enter the health science field.

The TEAS is offered locally at the Cape Girardeau Career and Technology Center. For additional information and testing sites, please contact our admissions office.

## Admission Process

The admission process will not begin until all application materials are received. Materials are not reviewed before this time. Applications are accepted on a continuous basis and seats are offered first come, first serve to students who meet the admission requirements. **All application materials are due on Monday, by 5:00 PM, 4 weeks prior to the start of the program or the semester students wish to begin taking courses.** Applications that are not completed by this deadline will be rolled over to the next start date or semester.

## Cost and Financial Aid

As a part of the admission and enrollment process, students will incur the following costs upfront:

- \$50 application fee
- \$100 seat retainer (deposit)
- \$93 CastleBranch fee

Tuition is the same for Missouri and non-Missouri residents. Tuition costs for the basic nursing program along with program fees can be found at:
