Fast & Easy Access

UpToDate Anywhere gives you access to evidence-based clinical content when and where you need it.

Your free UpToDate Anywhere registration provides:

- Mobile App for your iOS[®] or Android[™] device.
- **UpToDate MobileComplete™** depending on subscription type.
- **Remote access** from any computer with an Internet connection.
- Free CME/CE/CPD when researching a clinical question using UpToDate onsite or remotely including on your mobile device.
- Clinical Newsletter stay current with important updates from our editorial team.

Best Practice Tip:

Each time you access UpToDate, log in under the Log in/Register link with your UpToDate user name and password (or via your EHR) to accumulate CME and maintain uninterrupted remote and mobile access.

Maintaining Access

To maintain uninterrupted access to UpToDate you will need to confirm your affiliation with your subscribing organization every 90 days. To do this, simply log in to UpToDate from within your organization's network every time you use UpToDate.

Not sure if you are logged in to UpToDate?

If you do not see your name and CME tally on the top right of the screen, then click Log in/Register. View how: www.uptodate.com/home/uptodate-login

In-application and email messages will remind you to log in to UpToDate from your organization's network to re-verify your affiliation.

Mobile Access

A

UPTODATE MOBILE APP

Once registered, you can install the UpToDate Mobile App on up to two devices.

- Log in once, bookmark topics, and earn CME/CE/CPD.
- View suggestions for common searches based on other clinicians' search history.
- Easily revisit previously viewed topics.

Download and install

- 1. Search for "UpToDate" in your app store.
- 2. Open the UpToDate Mobile App and log in with your UpToDate user name and password. You only need to do this once — the app remembers your user name and password.

MOBILE WEB

Nothing to install: simply open the browser on your mobile device, go to www.uptodate.com and click **Log in** from the upper right corner.

- Optimized version of UpToDate
- Easy navigation
- Crisp, clear viewing on mobile web browsers

FORGOT YOUR USER NAME OR PASSWORD?
In the Log in box, click the 'Log in Help'
You'll receive an email that contains your user name and a link to reset your password

UPTODATE MOBILECOMPLETE[™]

UpToDate MobileComplete enables UpToDate Anywhere registered users to download the full content of UpToDate to their iOS[®] or Android[™] device.

This allows access to UpToDate content in situations where there is limited or no Internet connectivity available.

Please check with your organization to see if MobileComplete is part of your subscription.

- Search the complete UpToDate database of evidence-based recommendations from anywhere, even without an Internet connection.
- Content updates can be downloaded and applied in the background when the device is connected to Wi-Fi.

A list of technical requirements for supported devices for the UpToDate Mobile App and UpToDate MobileComplete is available at www.uptodate.com/mobile.
