You may access SoutheastHEALTH's Medical Staff Guidelines via the above website link. This link contains the bylaws, rules and regulations, organization information, policies, and miscellaneous documents.

Once you have been granted access to the intranet, you may also access the Medical Staff Guidelines on the 'Compass' as follows:

- Physicians pull down menu
- Medical Staff quick links (on right side of page)
- Policies and Guidelines or other options

If you have any problems opening this link, you may call the Help Desk at 573-651-5517 or our office at 573-651-5535.
