ACCESS UPTODATE ANYWHERE

- In addition to the Mobile App, you can access UpToDate from any computer with internet access.
- Simply go to www.uptodate.com and click the “Log in” button located in the top right corner of the UpToDate home page, and enter your User Name and Password.

MAINTAINING ACCESS

- In order to maintain uninterrupted access to UpToDate Anywhere, you must re-verify your affiliation with your hospital or organization once every 90 days.
- Re-verification can be done using the following methods.

Preferred Method

1. Access UpToDate via Cerner at least once every 90 days. Confirm you are logged in by locating your name in the upper right corner of the UpToDate screen. This will automatically re-verify your affiliation and you will not receive any re-verification messaging. This method requires no UpToDate log in.
2. Log in to UpToDate by going to www.uptodate.com from a computer or device connected to your hospital or organization’s network. This method requires you to log in to UpToDate with your UpToDate User Name and Password.

Please note: In-application & email messaging will inform you of the need to verify affiliation if you have not done so by day 80. You will receive a second alert at day 90. If you fail to re-verify by day 90, you will lose mobile and remote access. To regain access, please complete the re-verification process outlined in steps 1 or 2.
