

The accelerated paramedic to Registered Nurse (RN) bridge track of the Associate of Applied Science in Nursing is a one-year and eight-week, accelerated program designed to build upon the previous experience and coursework of the student. The program prepares students for the National Council Licensing Examination for Registered Nursing (NCLEX-RN) and incorporates valuable hands-on opportunities throughout clinical and classroom settings along with individualized instruction from faculty. Upon completing the program, students are prepared to work in a variety of settings and/or transition into a BSN completion program.

Accelerated
beginning each fall semester

Direct-entry
no prerequisites required

Admission Requirements

Direct Admission (students with less than 25 hours of college credit):

- cumulative high school GPA of 2.50 on a 4.0 scale
- cumulative college GPA of 2.50 on a 4.0 scale (if applicable)
- ACT composite score of 21 or SAT score of 1060 (if age 22 or younger)
- minimum one year of Paramedic work experience
- current Paramedic license

OR

Transfer Admission (students with 25 or more completed hours of college credit):

- cumulative college GPA of 2.50 on a 4.0 scale
- minimum one year of paramedic work experience
- current paramedic license

Admission Process

The admission process will not begin until all application materials are received. Materials are not reviewed before this time.

Applications are accepted on a continuous basis. Seats are offered first-come, first-serve to students who meet the above admission requirements until the last Friday in March. At this time, if seats are still available, the program may implement alternative admission criteria.

Applications that are not completed 4 weeks prior to the start of the semester will be rolled over to the next program start date and/or semester.

Required Application Materials

- Application
- \$50 Application Fee
- High School/GED Transcripts
- All College Transcripts

Cost and Financial Aid

As a part of the admission and enrollment process, students will incur the following costs upfront:

- \$50 application fee
- \$100 seat retainer (deposit)
- \$93 CastleBranch fee

Tuition is the same for Missouri and non-Missouri residents. Tuition costs for the Paramedic-RN program along with program fees can be found at:

<https://www.sehcollege.edu/financial/business-office>

Grants and loans are available to students who complete a FAFSA and qualify. Additional information about financial aid may be obtained from our Financial Aid Director or by visiting our website.

Example Curriculum Plan

It is recommended that all general education courses be completed prior to nursing courses; however, they may be taken in the semesters shown. Program courses must be taken in the order listed. Students can begin taking general education courses the semester after they are admitted.

All courses require a C or better to be considered passing.

FYS 101 and AH 201 must be completed at SoutheastHEALTH College of Nursing and Health Sciences. Other general education courses may be transferred in.

General Education Courses

FYS 101 College Seminar
 AH 201 Human Diversity in Healthcare
 BI 151 Anatomy and Physiology I
 BI 152 Anatomy and Physiology II
 BI 200 Microbiology
 CH 100 Chemistry
 COM 100 Oral Communications
 ENG 100 English Composition
 MAT 101 Mathematics for Healthcare Professionals
 NUT 200 Health and Nutrition
 PSY 100 Psychology
 SOC 102 Sociology

Nursing Program Courses

NS 105 Bridging to Professional Nursing Practice
 NS 106 Mental Health Nursing
 NS 107 Medical Surgical Nursing I
 NS 201 Nursing Care of the Childbearing Family
 NS 202 Medical Surgical Nursing II
 NS 203 Nursing Care of the Child and Family
 NS 204 Medical Surgical Nursing III
 NS 206 Transitions to Professional Practice

Accreditation

Accredited by the Accreditation Commission for Education in Nursing (ACEN) with full approval of the Missouri State Board of Nursing.
