Overview

The Assessment Technologies Institute Test of Essential Academic Skills (ATI-TEAS) is a computer-based test that is designed to assess a student's preparedness to enter the health science field. The exam takes approximately 209 minutes and includes 170 multiple-choice questions from the following content areas:

- Reading - key ideas and details, craft and structure, integration of knowledge and ideas
- Math - numbers and algebra, measurement and data
- Science - human anatomy and physiology, life and physical sciences, scientific reasoning
- English - conventions of standard English, knowledge of the language, vocabulary acquisition

Test Prep

We have partnered with ATI to offer its [SmartPrep](#) course paired with one of our faculty members! Signing up for the study sessions with us allows you to review each subject with a faculty member as well as other students preparing to take the TEAS. Plus, if you order the SmartPrep and TEAS test together, you will save on the combo AND if you are admitted to the college, your seat retainer will be 50% off! To register for our SmartPrep study course, visit <https://www.sehcollege.edu/calendar/events/teas-smartprep-registration/> and click on Test Prep.

ATI also offers several products to help students prepare for the TEAS. You can access these products at <https://www.atitesting.com/teas>.

The Adult Education Center (located in Cape Girardeau, MO) offers multiple resources for test prep, including a free TEAS prep course available each fall and spring. For more information, please contact the center at 573-334-0826 ext. 6514 or guffeyl@capetigers.com.
