SCR Volunteers Donate \$84,692 to St. Claire Foundation

One June 29, SCR volunteers presented the St. Claire Foundation with a check for \$84,692! Pictured, from left, are: Development Coordinator Joni Mraz; Gift Shop Coordinator Roberta Gilbert; St. Claire Foundation Executive Director Tom Lewis; SCR President/CEO Mark J. Neff; Donna Eggett; Bonnie Bennett; Volunteer Services Director Regina Thompson; Barb Brown; and Brenda Bennett.

St. Claire Regional would like to thank all of our volunteers for their service. Our dedicated volunteers presented the St. Claire Foundation with a check for \$84,692! This amount doubled what they contributed last year.

This contribution included a \$5,000 donation to the SCR Auxiliary Scholarship Fund, \$4,000 to the Susie Halblieb Endowment Scholarship which brought it to award level, and \$70,000 was given to the Greatest Need Fund. The Greatest Need Fund meets important needs that enable SCR to continue to fulfill our mission, to proclaim God's goodness through a healing ministry to the people of Eastern Kentucky.

SCR volunteers play an important role in our efforts to fulfill our mission and in the healthcare we provide. Their efforts benefit the hospital in continuing our commitment to excellence while also contributing to the welfare of those in need. We are blessed to have such a wonderful group of volunteers!

If you or someone you know is interested in volunteering, contact SCR's Director of Volunteer Services Regina Thompson at 606.783.6517 or regina.thompson@st-claire.org for more information.

St. Claire Regional Auxiliary Announces Scholarship Recipients

Two area students who have volunteered hundreds of hours at St. Claire Regional are recipients of the second-annual SCR Auxiliary Scholarship.

The recipients of the \$1,500 scholarships are Sara Crouch of Owingsville and Corey Newsome of Morehead.

Crouch has volunteered over 530 hours in the St. Claire Gift Shop since 2014. She will be a sophomore pre-med student at Morehead State University this fall.

Recipients of the St. Claire Regional Auxiliary Scholarship, Corey Newsome (left) and Sara Crouch (right), are pictured above with SCR's President and CEO, Mark J. Neff.

"I have truly found a passion through my volunteer work with St. Claire Regional," Crouch said. "Through working in the Gift Shop, I have been given the opportunity to talk to many different doctors, nurses and even patients who have such positive comments and feelings about the hospital."

Newsome has logged nearly 400 hours of volunteer service at SCR since 2015, staffing the information desk, delivering newspapers throughout the hospital and assisting with Gift Shop merchandise. He is considering a career in business/healthcare administration as he begins his freshman year at Western Kentucky University.

"The skills that I have gained through volunteering have greatly shaped my growth as a responsible individual. I have learned the importance of managing my time through juggling all my studies and extracurricular activities," Newsome said.

The St. Claire Auxiliary established a college scholarship endowment to assist students with an interest in healthcare and a heart for community service, St. Claire Regional Director of Volunteer Services Regina Thompson said.

"We are excited to offer a scholarship that places importance on a student's contributions of volunteer service," Thompson said.

To qualify for the scholarship, an individual must:

- Be a full-time student enrolled in an accredited medically related program of study (associate or baccalaureate);
- Demonstrate academic achievement (GPA of 3.0 or higher), leadership and community service;
- Have financial need.

"It is the SCR volunteers' hope that those applying for our auxiliary scholarship are students who recognize a life of service is what they are seeking," said St. Claire Regional Auxiliary President Brenda Bennett.

St. Claire Foundation Announces 2017 Scholarship Recipients

Two Rowan County Senior High School graduates who will attend Thomas More College this fall are the recipients of scholarships from the St. Claire Foundation. Cory Hilton will receive a \$1,000 Richard J. Bausch Family Scholarship, while Ryne Callahan is the recipient of this year's \$750 Sister Mary Jeannette Wess, SND, Scholarship.

Hilton Receives the Richard J. Bausch Family Scholarship

Cory Hilton ultimately wants to work in research pharmacology, developing new drugs and treatments for diseases that either have no cure or only minimal treatment options.

"I would like to be in on the breakthroughs science can find to cure or at least treat diseases and injuries," said Hilton, who will also play soccer at Thomas More. "For instance, concussions and sports injuries are a main focus nowadays, and I would like to play a part in finding ways to treat those injuries in Morehead."

The Richard J. Bausch Family Scholarship is funded by an endowment that was established in memory of the father of Greg Bausch, PharmD, SCR Vice President and COO, St. Claire Medical Group. To qualify for the scholarship, an applicant must be a pre-professional health sciences student and a resident of an Appalachian county.

Cory Hilton

Ryne Callahan

Callahan Awarded Sister Mary Jeannette Wess, SND, Scholarship

Ryne Callahan is entering his junior year at Thomas More College this fall, where he is majoring in management information systems and plays collegiate basketball.

Creating protected and strong software for healthcare providers is essential, Callahan said.

"This day and age, there are people out there that have used their knowledge to hack and hold hospitals hostage. This puts patients at extreme risk, and by pursuing a degree in management information, I hope to one day contribute to preventing people from doing this," he said.

Established in 1995, the Sister Mary Jeannette Wess, SND, Health Education Fund is named in honor of St. Claire Regional Medical Center's third President/CEO. Students from the SCR service region who are entering at least their junior year of college may apply for this scholarship.
