 Employee Incentive Program..... 8-9

St. Claire Regional Recognized at 3rd Annual Morehead-Rowan County Chamber of Commerce Picnic

St. Claire Regional *Business Beautification*

St. Claire Regional recently received the Morehead-Rowan County Chamber 2016-2017 Business Beautification Award for our updated campus. In early 2016, as St. Claire Regional was approaching its 53rd birthday and the groundbreaking for the construction of a new Medical Pavilion, the campus underwent a "facelift," if you will, to create a cohesive looking campus. Not only was the Medical Center's brick stained to match the new Medical Pavilion and the Center for Health, Education and Research, but the Morehead Medical Specialists building and Cancer Treatment Center were also stained. Other outside campus updates include numerous new landscaping projects and front entrance concrete.

Anthony D. Weaver, MD *Educator of the Year*

Anthony D. Weaver, MD, Associate Professor, Internal Medicine; Assistant Dean, Morehead Regional Site, UK COM, was awarded the 2016-2017 Educator of the Year Award for his support and encouragement of education in Morehead and Rowan County.

St. Claire Regional Welcomes New Director of Acute Care Nursing Falissa Prout, RN, MSN-Inf

With the ever-evolving nature of the healthcare industry, acute care is one of the most critical areas for nursing in hospitals. As we continue to teach our patients how to stay healthy and out of the hospital, SCR is pleased to announce that Director of Acute Care Nursing Falissa Prout, RN, MSN-Inf, joined SCR in May to oversee 3 Center and 3 North.

“Maintaining an appropriate length of stay, achieving satisfactory patient experience scores, providing high-quality, low-cost care and preventing readmissions are all the right things to do for our patients and they contribute to the financial success of our organization,” says Prout. “Highly-skilled, engaged caregivers in acute care can impact these goals like no other area of nursing and I feel very passionate about achieving the Quadruple Aim!”

Prout graduated from Morehead State University with an Associate Degree in Nursing and Bachelor of Science in Nursing, and the University of Phoenix with a Master of Science in Nursing Informatics. She previously worked at SCR as an RN before pursuing her master’s degree. After praying for a career change, Prout says she felt God was leading her back to SCR. “I feel very blessed to be part of a team that displays such caring and compassion, not only for their patients, but also their employees. It truly is a ‘breath of fresh air’ being a part of the SCR team!”

Prout resides in Olive Hill, where she has lived her entire life. She and her husband, Tim, have four wonderful children, Shayna, 25; Trace, 16; Isabella, 15; and Ethan, 13, who keep them busy with cheerleading, soccer and softball. In her spare time, she enjoys traveling, gardening, being outside and running her LuLaRoe direct sales clothing line.

St. Claire Regional Mobile Medicine

Bringing Medicine to You

Submitted by: Cheryl McClain, MD

Many of our patients have chronic health conditions and multiple comorbidities that require multiple hospitalizations to maintain health. We have found that those at highest risk are frequently readmitted to the hospital within 30 days of being discharged. In order to provide this population of patients with close medical supervision post-discharge, we are excited to announce the development of our new home visit service, Mobile Medicine.

This service is staffed by Carolyn Moore, MD, and Stacy Mills, APRN. They are seeing some of our high-risk discharged patients in order to help keep them home and in good health after their hospitalization. In-house staff will be using the LACE* index to identify high risk patients that may benefit from this service. This includes those who are considered temporarily homebound or unsafe to travel.

Patients may also be referred to the Mobile Medicine consult service via Meditech while the patient is in the hospital. We are excited for this new service and look forward to seeing it expand in the future.

LACE Index

- L** - Length of stay
- A** - Acuity of the admission
- C** - Co-morbidities, incorporating the Charlson Co-Morbidity Index.
- E** - Emergency Department visits within last 6 months

ST. CLAIRE FOUNDATION 2017 SIGNATURE EVENT

tastes • tunes • tales

AMAZING FOOD. BOURBON TASTING.
LIVE ENTERTAINMENT. SILENT & LIVE AUCTIONS.

FRIDAY, JUNE 16 | 6 PM

MOREHEAD CONFERENCE CENTER

INDULGE IN SIGNATURE TASTES OF THE BLUEGRASS.

Start your evening with appetizers and cocktails, including Kentucky wines, beers and bourbon at Southern Wine & Spirits’ tasting bar, then settle in for a fine dining experience that’s sure to please.

ENJOY THE SOOTHING SOUNDS OF JAZZ.

Musical entertainment will be provided by The Morehead Jazz Collective, a trio of young musicians featuring Jared Clifton (trumpet), Robert Barnes (piano) and Mason Daugherty (bass).

SIT BACK AND RELAX FOR TALES AND PORTRAYALS.

Acclaimed raconteur and storyteller Laura Lee Duncan, along with sons Elijah and Jon Dooley, team up with local historian and thespian J.D. Reeder, to bring to life characters from Kentucky’s colorful bourbon past.

LIVE & SILENT AUCTIONS Items up for bid include collectible Maker’s Mark bottles, dinner and a private tour of New Riff Distilling, custom engraved barrel heads, a Michael Kors handbag and more. Follow our Facebook page for details.

To reserve your seats, visit www.st-claire.org/signature17 or call 606.783.6512.

Seating is limited. The courtesy of a response is requested by Friday, June 2.

DRESS IS BOURBON CASUAL.

St. Claire Regional Home Health

2017 Top Home Health Agency

St. Claire Regional Home Health received a 4.0 STAR rating from the Centers for Medicare and Medicaid Services! This STAR rating reflects our quality of patient care performance. SCR Home Health staff are committed to constantly improving patient outcomes and we are so proud of this achievement. Nationally, the STAR rating average is 3.0 and in Kentucky, the STAR rating average is 3.5.

Congratulations SCR Home Health for raising the bar!

St. Claire Regional PHARMACY

Introducing Meds-to-Beds

Our patients and their families will greatly benefit from our new Meds-to-Beds program!

Meds-to-Beds is a convenient bedside service that delivers discharge prescriptions to our patients at no additional cost.

With this new service, we will make sure you get the right medications and prescription education, all while saving you the hassle of making an extra stop on your way home from the hospital.

Social Skill Builder SUMMER CAMP

CENTER FOR HEALTH, EDUCATION & RESEARCH

Does your child struggle with day-to-day interactions such as initiating conversation and reading social cues?

*St. Claire Regional's **FREE** Social Skill Builder Camp can help!*

2017 Nursing Excellence Awards

Submitted by: Mindy Morris-Sexton

The Nursing Excellence Award recognizes the countless vital contributions nurses make in support of furthering the mission of St. Claire Regional in the areas of patient care, teaching, research and public service. One winner per category was selected from acute care, critical care, post-acute care and the St. Claire Medical Group. The following departments are included in each category:

Acute Care: 3C, 3N, 4C, OR/SDS/PACU, OPCC

Critical Care: ICU, Radiology/Cath Lab, ED

Post-Acute Care: 5C, Hospice/HomeCare, St. Claire Counseling/6C/OPC (US 60)

St. Claire Medical Group: MMS/CRSS, Family Medicine Clinics

Winners from each category received a cash prize of \$1,000 each, while each area nominee received \$250. Selection is based on the following criteria:

- Demonstrated excellence in clinical nursing practice.
- Evidence of special qualities of caring and compassion.
- Commitment to teaching and education of nursing students and healthcare professionals.
- Demonstrated evidence of commitment to life-long learning and professional development.

Congratulations to all nominees and winners this year!

Acute Care:

The nominees for acute care were **Derek Bradley, RN**, 3 Central, **Marla Kearns, RN**, 4 Central, and **Catherine Schwab, RN**, OPCC.

The winners for acute care were **Heather O'Hara, RN**, 3 North, and **Lillie Melissa King, RN**, OR/SDS/PACU.

Critical Care:

The nominee for critical care was **Danielle Owens, RN, ED**.

The winner for critical care was **Joelle Craft, RN, ICU**.

Post-Acute Care:

The nominees for post-acute care were **Elaine Phipps, RN**, TCU/IRU, and **Rebecca Royse, RN**, Hospice/HomeCare.

The winner for post-acute care was **Angie Gillespie, RN**, St. Claire Counseling/6C/OPC US 60.

St. Claire Medical Group:

The nominee for St. Claire Medical Group was **Cassie Stanley, APRN**, MMS/CRSS.

The winner for St. Claire Medical Group was **Patrick Don Hughes, APRN**, Family Medicine.

Special recognition was given to SCR nurses who recently graduated from MSU's RN to BSN program:

Megan Burke, RN, was recognized as the recipient of the RN-BSN Outstanding Leadership Award for MSU's RN to BSN Program.

Graduates include: **Elizabeth Napier**; **Heather O'Hara**; **Joelle Craft**; **Teretha Cole**; **Angela Craft**; and not pictured: **Megan Burke** and **Katherine Endicott**

Special recognition was also given to the nurses that obtained a specialty certification within the past year:

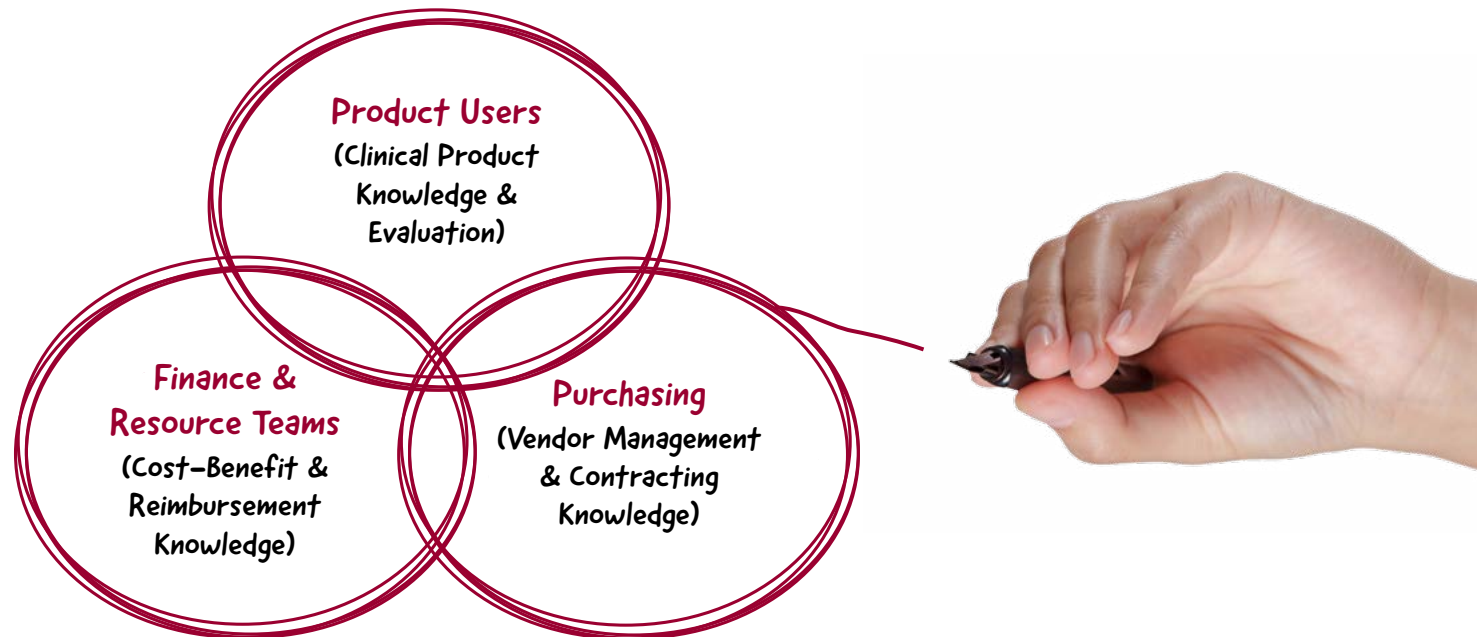

- **Riki Watts**
Certified Perioperative Nurse (CNOR);
Nurse Executive, Board Certified (NE-BC)
- **Phelan Bailey**
Nurse Executive, Board Certified (NE-BC)
- **Christa Thompson**
Nursing Professional Development (RN-BC)
- **Michelle Rayburn**
Nursing Professional Development (RN-BC)
- **Sarah Bradley**
Critical Care Registered Nurse (CCRN)
- **Joelle Craft**
Critical Care Registered Nurse (CCRN)
- **Suzie Sublett**
Certified Emergency Nurse (CEN)

EMPLOYEE INCENTIVE PROGRAM And Value Analysis

The Value Analysis Council has reactivated the "Employee Incentive Program" that first began in March 2014. The incentive program is designed to get everyone thinking about best value, high quality, low cost goods and services. Savings can be in the areas of a new process, new idea or new products. All approved and implemented ideas for savings will result in a one-time 2% cash award of the first twelve months net savings or net revenues.

For example, an approved and implemented idea with an annual savings of \$100,000 would generate a cash award of \$2,000 ($\$100,000 \times 2\% = \$2,000$). All requests will be categorized as either "Tier One" (greater than \$20,000) or "Tier Two" (\$1,000 to \$20,000). Tier One projects are subject to a detailed review by the council, while Tier Two projects will first be screened by a subcommittee to be reviewed, given priority then forwarded to the council for consideration.

Value Analysis

If you have a great idea for quality improvement, cost reduction savings or both, we want to hear from you!

Submission of Request? WHO?

WHO?

Who can submit a request?

- Any staff member with approval from their immediate supervisor (exclusions stated in policy)

Submission of Request? WHAT?

WHAT?

What do I do to submit a request?

- Obtain the policy and application from the SCR Intranet (on the right side of the main page, click on "Employee Recognition Program"). It contains information about the process, necessary forms and other items that will be needed in order to submit your idea or request.
- After completing the application with approval from your supervisor, a cost analysis reflecting the following must be also prepared by the requestor to present to the Value Analysis Committee:

For a Product:

- Current product cost and annual volume
- FDA Clearance of a new product
- Proposed product cost and annual volume (which should be the same as current volume unless there is documentation for an increase or decrease in product use)
- Par level- It must be taken into consideration what the change in product does to the current inventory cost
- Total annual cost = inventory change + incremental cost change

For a New Process or Idea:

- An overview of the current process
- Outline of new steps for the new process
- Is the savings or improvement in FTEs, labor productivity, patient flow or a general process?
- What is the current cost of the process?
- What is the estimated savings (dollar amount), improvement (quality measure) or satisfaction (customer/patient/staff/physician)?

Submission of Request? WHERE?

WHERE?

Where do I submit a request?

- Send your complete request via in-house mail to Materials Management or Nursing Administration

Each request will then be monitored and tracked by the Value Analysis Council

- When ideas are received, they will be dated and timed. An acknowledgment will be returned to those who submit ideas.
- Employee names will be removed from submission forms and individual projects will receive a reference number.
