celebrate SURVIVORSHIP

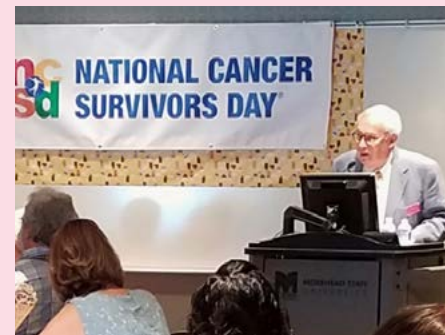

Submitted by: Vickie Fairchild, RN, BSN, OCN

Survivors and their family members joined together to celebrate National Cancer Survivor's Day on June 4th at St. Claire Regional's Celebrate Survivorship Ice Cream Social. Survivors in attendance received a gift and T-shirt. The same traditional music group that visits the Oncology Unit to play for the patients at SCR, Cynthia Snyder and Friends, kept us entertained while we enjoyed delicious ice cream and other goodies prepared by SCR's Food Services.

Mark J. Neff, SCR President/CEO, presented SCR Oncologist Allen Lim, MD, with an award for his dedicated "25 years of inspiration and healing" and service to the community, cancer patients and survivors.

Dr. Mac Luckey shared his experience of having a disorder that is difficult to diagnose. Being a survivor himself, he shared how using humor helped him deal with his journey to encourage others.

SCR Receives Children's Books Donation

Submitted by: Regina Thompson

Robert "Drew" Cox, 17, of West Liberty, donated 100 children's books to St. Claire Regional as part of his Rogers Scholar Community Project. He has been collecting books all year from area libraries. Rogers Scholars is a flagship youth program of The Center for Rural Development. The program provides valuable leadership skills and exclusive college scholarship opportunities for young people to fulfill their potential as the region's next generation of business and entrepreneurial leaders.
