St. Claire Foundation announces new board chair and vice chair

The St. Claire Foundation Board of Directors has a new chair and vice chair.

Bill Redwine, Morehead State University assistant vice president for Auxiliary Services, has assumed the role of Foundation Board chair. He replaces the late Steve Lewis, who unexpectedly passed away in May.

“I am looking forward to serving as chair of the Foundation Board and giving back to St. Claire Regional Medical Center, a vital community and regional partner in healthcare,” Redwine said.

As Foundation Board chair, Redwine will also serve on the St. Claire Regional Board of Directors. He has served on the Foundation Board since 2003 and resides in Morehead with his wife, Susette Redwine.

Dr. Emily Settle, who co-owns Tingle & Settle PSC Family Dentistry in Morehead, is the Foundation Board’s new vice chair. She joined the board in 2015.

“I am excited to increase my involvement within the St. Claire Foundation in order to further its mission in providing quality healthcare to our region,” Settle said.

Settle lives in Mt. Sterling with her husband, Stan Settle, and their three daughters.

Emily Settle, SCR Foundation Board vice chair

“The passing of Steve Lewis was such a shock and loss,” said St. Claire Foundation Executive Director Tom Lewis. “He was a tremendous leader and board chair. We are just so grateful that Bill and Emily, people of such high caliber and integrity, are willing to step up and lead our board as we move forward.”

Welcome St. Claire Regional's new cardiologist

Ahmad Isbitan, MD

St. Claire Regional is pleased to welcome interventional cardiologist Ahmad Isbitan, M.D., to our cardiology medical staff. Isbitan specializes in cardiac and vascular disease intervention.

Isbitan earned his medical degree from Jordan University of Science and Technology in Irbid, Jordan. He completed an internal medicine residency and a cardiovascular medicine fellowship at Seton Hall University, Newark, New Jersey. He also completed an interventional cardiology fellowship at New York Medical College in Patterson, New Jersey. Isbitan is also certified by the American Society of Echocardiography in vascular ultrasound and hemodynamics tests.

"I am truly happy to be in Morehead and to join Dr. Kahloon and Dr. Marashdeh in St. Claire Regional's cardiology practice," says Isbitan. "I enjoy helping my patients feel better and live longer. Often that means diagnosing and treating symptoms, but sometimes that means I get to help someone instantly by saving a limb, or even a life."

Isbitan and his wife, Lubna Nsair, have two daughters, 4-year-old Rama and 6-month-old Tala. In his spare time, Isbitan enjoys traveling and playing golf.

St. Claire Regional's cardiology department is dedicated to providing high-quality cardiac care. You can schedule an appointment with any of St. Claire Regional's cardiac providers by calling 606.784.6641 or by visiting www.st-claire.org. A referral is not required to schedule an appointment.

and our new family medicine physician

Aaron Parker Banks, DO

St. Claire Regional is proud to announce that Aaron Parker Banks, DO, has officially joined St. Claire Regional Family Medicine's medical staff after the recent completion of his residency. Banks will continue to see and accept new patients at our family medicine location in Sandy Hook.

Banks received his medical degree from the Pikeville College School of Osteopathic Medicine in Pikeville prior to completing his residency through St. Claire Regional Family Medicine Osteopathic Residency Program in Sandy Hook, where he has served patients for the last three years.

Banks was born right here at St. Claire Regional and grew up in West Liberty. He says he is excited to build his full-time medical practice as he continues to care for the people of our region.

"I want to be able to provide excellent care for the community that has given me so much," Banks says. "This community has truly helped raise and mold me into the person and physician that I am today."

Banks and his wife, Elizabeth, live in Farmers, Kentucky. His hobbies include hunting, NASCAR and UK basketball.

St. Claire Regional Family Medicine specializes in care for your entire family. You can trust our providers to manage your general, preventive and chronic health needs. For more information or to schedule an appointment with Banks or any of our family medicine providers in Sandy Hook, call 606.738.5155.

Nursing Leadership Promotions

Join us in welcoming Courtney and Sarah to their exciting new roles!

Courtney Hollingsworth, RN, BSN, has been promoted to Director of Professional Nursing Practice in addition to her responsibilities as Director of Critical Care. Courtney graduated from Morehead State University in 2006 with a baccalaureate degree in nursing. She started her career at St. Claire Regional in the Cardiac Cath lab and Diagnostic Imaging/Nursing. In her new role, Courtney will continue as Director of Critical

Care and will support the Vice President of Patient Services/CNO in daily operations and directing project work, and by taking a lead role in the development, implementation and evaluation of the strategic plans for nursing excellence. She will also assist with educational endeavors in professional/leadership development across nursing and the organization, as needed. Courtney is

currently pursuing a master's degree in nursing leadership and management, and is expected to complete this degree in 2017.

Sarah Bradley, RN, BSN, SANE, CCRN, CEN,

has been promoted from Assistant Nurse Manger to Nurse Manager of ICU. Sarah graduated from Morehead State University in 2012 with a baccalaureate degree in nursing. Sarah joined SCR as part of the hospital's Critical Care Fellowship in 2012. Since then, she has obtained her SANE credentials and certifications in Critical Care Nursing and Emergency

Nursing. Sarah is currently enrolled in the master's degree program for nursing administration at Eastern Kentucky University.

Enter for your chance to win up to \$5,000!

The Golf Ball Drop Raffle sponsored by Fleming-Mason Energy will also return for the 22nd annual Foundation Golf Outing. During lunchtime, numbered golf balls will be dropped from a Fleming-Mason Energy bucket truck onto a target. The owner of the first ball into the hole (or nearest to it) will win half of the raffle pot, up to \$5,000. Chances are \$10 each and can be purchased online or mail-in entry form.

GOLF BALL DROP RAFFLE ENTRY FORM

To purchase chances, complete the entry form and return it, with payment, to:

St. Claire Foundation, 222 Medical Circle, Morehead, KY 40351.

Or you may buy chances online at www.st-claire.org/golfballdrop.

Online sales will close on Sept. 7 at noon EDT.
