## St. Claire Foundation Receives Significant Gift *from Rose Orlich Estate*

“*Rose had been a faithful supporter of our Foundation for many years, but even with her history of generosity, we can't begin to express how grateful and humbled we were when we learned about the magnitude of her legacy gift to us.*”

-Mark J. Neff, SCR President/CEO

The St. Claire Foundation is the recipient of a six-figure cash and real estate gift from the estate of longtime Morehead State University (MSU) English professor Rose Orlich.

Orlich passed away in March. She was 88 years old.

In her will, Orlich bequeathed her longtime home on Knapp Avenue in Morehead to the St. Claire Foundation. She divided the majority of the remainder of her estate among several charities, and the Foundation's share was approximately \$100,000, said Paul R. Stokes, attorney for the estate.

“Rose had been a faithful supporter of our Foundation for many years,” said St. Claire Regional Medical Center President/CEO Mark J. Neff. “But even with her history of generosity, we can't begin to express how grateful and humbled we were when we learned about the magnitude of her legacy gift to us.”

Orlich served on the MSU English faculty for 22 years. She was also an award-winning poet who published two books of poetry.

For nearly two decades, Orlich held the position of Church Lector at Jesus Our Savior Catholic Church, where she was a member.

“Her faith was such an integral part of Rose's life. It means so much to know that she saw us as a worthy and appropriate recipient and an organization that will continue to carry on the Christian ministry that was so important to her,” said St. Claire Foundation Executive Director Tom Lewis.

Because it is located so far from the hospital campus, Neff said SCR will likely sell the Orlich house.

“It is a quaint home, and Sherwood Forest is a nice, secluded neighborhood,” Neff said.

# Annual President's Lunch

## Recognizing New and Advancing Members

The St. Claire Foundation's annual President's Lunch was held on Wednesday, Oct. 26, at the Center for Health, Education and Research to recognize our most generous supporters and to educate them about the services and projects their charitable donations are supporting.

Tom Lewis, St. Claire Foundation Director, recognized new and advancing members of the St. Claire Society with a plaque. The St. Claire Society represents our most generous and prestigious levels of support. We would like to thank the individuals and companies that support our organization through their giving. Their contributions help us grow and allow us to continue our mission of proclaiming God's goodness through a healing ministry to the people of Eastern Kentucky.

*To learn more about the St. Claire Foundation or to make a donation, visit [www.st-claire.org/give](http://www.st-claire.org/give).*

**New and advancing St. Claire Society members who were recognized but not pictured include: The Emily H. Conway Estate, Charitable Spirit; Mohammad Marashdeh, MD, SCR interventional cardiologist, and Abeer Said Al-Qaisi, MD, SCR oncologist/hematologist, Charitable Spirit; and David Victor, MD, SCR vascular and general surgeon, and Susan Victor, SCR pharmacist, Gentle Healer.**

**Judith O. Yancy, who advanced to the status of St. Claire Society Gentle Healer, was recognized during the annual President's Lunch for her generous donations.**

**The Morehead State University Center for Regional Engagement was presented a plaque for becoming a Life Member of the St. Claire Society. J. Marshall, executive director, accepted the plaque on the center's behalf.**

**Charlotte Walker, St. Claire Regional Medical Group administrative director of clinic operations, was recognized as a St. Claire Society Life Member during the annual President's Lunch.**

# St. Claire Regional Family Medicine in Owingsville Welcomes **Brad Baker, DO**

St. Claire Regional is proud to announce the addition of Brad Baker, DO, to our medical staff. Baker is now seeing and accepting new patients at our St. Claire Regional Family Medicine location in Owingsville.

Baker received his medical degree from the Pikeville College School of Osteopathic Medicine in Pikeville. He completed his residency through the University of Kentucky (UK) Family Community Medicine Residency Program, serving patients for two years at the UK Department of Obstetrics and Gynecology and most recently at St. Claire Regional Family Medicine in Morehead.

Baker was born and raised in Eastern Kentucky and says he has always desired to provide care for the people of the community he grew up in. "Working in family medicine gives me the opportunity to take care of people of all ages and to become a part of their lives," Baker says. "To me, that's the heart of medicine."

Baker and his wife, Lauren, have two wonderful children, Waylon and Emmaline. Baker's hobbies include spending time outdoors, going to concerts and reading.

St. Claire Regional Family Medicine specializes in care for your entire family. You can trust our providers to manage your general, preventive and chronic health needs. For more information or to schedule an appointment with Baker or any of our family medicine providers in Owingsville, call 606.764.6386.

## 2016 St. Claire Regional Mission Ornament

These St. Claire Regional Mission Ornaments are limited edition, as only 190 were created.

Each one-of-a-kind ornament is hand blown and painted from the inside. They are truly a keepsake to be treasured!

To receive one of these beautiful ornaments, make a donation of \$25 or more to the St. Claire Auxiliary Scholarship Fund. Ornaments can be picked up in the gift shop and at the St. Claire Foundation. Payroll deduction is available.

# National Nurse Practitioner Week • 2016

During this year's **National Nurse Practitioner Week, Nov. 13-19**, we recognize all of our nurse practitioners for the patient-centered, accessible and high-quality healthcare they provide!

Here at SCR, we are honored to have 22 nurse practitioners. Nurse practitioners, also known as NPs, are expert clinicians with advanced training who provide primary, acute and specialty healthcare. NPs provide a full range of services, such as ordering, performing and interpreting diagnostic tests; diagnosing and treating acute and chronic conditions; prescribing medications and treatments; and managing overall patient care.

## Want to make a difference? Become an **SCR Hospice Volunteer**

Hospice care is focused on helping families cope with what people fear the most about dying — being in pain, being alone, losing control and being a burden to others.

***By volunteering, you can make a difference in the lives of patients and their loved ones!***

Our volunteers take the time to make friendly visits with hospice patients. Activities include simply sitting and talking with or reading to patients, and/or assisting with errands, grocery shopping and personal care.

**St. Claire Regional  
Hospice**

*“One day I walked into hospice and offered to volunteer for their program, and it has been life altering. It doesn’t take much to sit with a patient and be a friend to let them know we care about them.”*
