GROUND BREAKING *Ceremony* St. Claire Regional Medical Pavilion

“This day of groundbreaking for St. Claire Regional is a dream come true, and it continues the vision of Dr. Caudill and Ms. Halbleib...”

-Sr. Marla Monahan, SND

St. Claire Regional (SCR) broke ground on its new \$28 million Medical Pavilion May 2. Pictured are, from left: SCR Vice President of Administration Travis Bailey; Stengel-Hill Architecture Co-Owner Brad Stengel; SCR Vice President and COO, St. Claire Medical Group, Greg Bausch, PharmD; Rowan County Judge-Executive Walter “Doc” Blevins; SCR Board of Directors Immediate-Past Chair Sr. Marla Monahan, SND; USDA Rural Development State Director Tom Fern; SCR President/CEO Mark J. Neff; U.S. Congressman Harold “Hal” Rogers; SCR Patient Satisfaction Liaison Sr. Jeanne Frances Cleves, SND, RN; Kentucky House Majority Leader Rocky Adkins; Kentucky State Senator Stephen West; SCR Foundation Board Member Mary Joell Overman, SND; William D. Lewis, MD, SCR Diagnostic Imaging; Morehead Mayor Jim Tom Trent; SCR Vice President of Financial Services Christopher McClurg; and Wehr Construction President/Chairman Claude A. “Skip” Berry.

St. Claire Regional celebrated the start of a new chapter Monday, May 2, with an official groundbreaking ceremony for the new \$28 million St. Claire Regional Medical Pavilion. Federal, state and local government officials and other guests were on hand to help St. Claire Regional mark this exciting new endeavor.

“This day of groundbreaking for St. Claire Regional is a dream come true, and it continues the vision of Dr. (Louise) Caudill and Ms. (Susie) Halbleib, her nurse, when they founded the hospital with the partnership of the people of Morehead with the Sisters of Notre Dame,” SCR Board of Directors Immediate Past-Chair Sr. Marla Monahan, SND, said.

GROUND BREAKING *Ceremony*

St. Claire Regional Medical Pavilion

“It shows that you are confident in the future of this hospital, and you are confident in this community. It shows that as a regional medical center, you are ready to meet the medical needs of people in this area.”

-Senator Stephen West

Mark J. Neff, SCR President/CEO, addressed the crowd at the groundbreaking ceremony, thanking all groups in attendance that were vital in the process of developing the plans behind the new Medical Pavilion.

Fr. Noel Zamora, pastor of Jesus Our Savior Catholic Church, Morehead, led the blessing during the Medical Pavilion Groundbreaking Ceremony. “Let us pray for his help through his celebration, my brothers and sisters, that God will bring this construction to successful completion and that his protection will keep those who work on it safe from injury,” Fr. Zamora prayed.

“As we move forward, we will continue to do all that we can to improve the health of our region,” SCR President/CEO Mark J. Neff said. “This new facility will allow us to continue our mission to proclaim God’s goodness through our healing ministry to the people of Eastern Kentucky.”

The new Medical Pavilion, a three story, 81,000-square-foot facility, is ultimately a consolidation of St. Claire Regional’s Cave Run Surgical Specialists and Morehead Medical Specialists, and UK Women’s HealthCare Morehead. The community will benefit greatly from the consolidation of St. Claire Regional’s services into a single campus, making it easier and more convenient for patients to transition from physician offices and outpatient support services in the Medical Pavilion to diagnostic care in the main hospital.

“This groundbreaking today shows the strength and optimism of St. Claire and the people who make it work,” Kentucky State Senator Stephen West, R-Paris, said. “It shows that you are confident in the future of this hospital, and you are confident in this community. It shows that as a regional medical center, you are ready to meet the medical needs of people in this area.”

The construction and use of the facility will also create a variety of new jobs, including the addition of 10-15 new physicians, which will vastly increase medical access for patients in our region.

“Over the next five years, this new Medical Pavilion will create dozens of much-needed jobs in the region, while also improving access to specialized medical care and physicians,” U.S. Congressman Harold “Hal” Rogers, R-KY, said. “I applaud the leaders at St. Claire for having a vision for this comprehensive facility that will streamline patient care, ensuring those difficult days for cancer patients and others are much easier.”

“The expansion of St. Claire Regional Medical Center is critical when it comes to bringing the type of competitive advantage that our region needs moving into the future.” Kentucky House of Representatives Majority Leader Rocky Adkins, D-Flatwoods, said.

For more information about the new Medical Pavilion, visit www.st-claire.com/medicalpavilion.

For more photos from the groundbreaking ceremony, follow us on Facebook at www.facebook.com/SCRMedical.

After the blessing, Sr. Marla Monahan, Sisters of Notre Dame, Covington, Kentucky and SCR Board of Directors Immediate Past-Chair, gave her remarks.

Rocky Adkins, Kentucky House Majority Leader, D-Flatwoods, spoke to the crowd about what the new Medical Pavilion will mean to the area.

Stephen West, Kentucky State Senator, R-Paris, commended St. Claire Regional on the \$28 million campus expansion, citing other hospitals in his district that had either closed down or were facing harsh economic times.

U.S. Congressman Hal Rogers spoke of his excitement for the new Medical Pavilion, praising SCR for being one of the top employers locally, and for increasing healthcare access in the region.

Sr. Jeanne Frances receives the Difference Maker Award from U.S. Congressman Hal Rogers

Congratulations to SCR's very own Sr. Jeanne Frances for receiving the U.S. Congressman Hal Rogers Difference Maker Award during the Medical Pavilion Groundbreaking Ceremony! She was pleasantly surprised by Congressman Rogers when he presented her with the award for her dedication to healthcare in our region. "Sr. Jeanne Frances exemplifies what the Sisters of Notre Dame have meant to this part of our region," Congressman Rogers said. "More than 50 years ago, she started as a nurse in the SCR emergency room and continues to work part-time today, visiting with patients and ministering to them. She helped transform healthcare in Morehead and continues to serve as a true Difference Maker."

Extraordinary staff *doing* Extraordinary things

Truly living our mission...

J. Hunter Black, MD; Debbie Blankenship, RN; and John Sanders, MD.

Submitted by: Mindy Morris-Sexton

St. Claire Regional Leadership recently recognized Debbie Blankenship, RN, with the “Pause for Applause” award. SCR received a beautiful letter expressing gratitude toward Blankenship from the family of a patient who recently received services from St. Claire Hospice. Blankenship was highly praised for her care and compassion, and for providing love and laughter in the hardest of times. “She truly walks with God,” the family member said. Thank you, Debbie, and all our Hospice staff, for all that you do for our community!

Teri Roberts, APRN Joins St. Claire Regional Cardiology Services

St. Claire Regional (SCR) is pleased to announce that Teri Roberts, APRN, has joined Cardiology Services.

Roberts comes to SCR from Hawarden, Iowa, where she served as a Family Nurse Practitioner for more than 15 years at the Hawarden Family Medical Center. She received an associate degree in nursing at Western Iowa Technical Community College, a Bachelor of Science in Nursing at Briar Cliff College and a Master of Science in Nursing with a focus on family practice at South Dakota State University.

After only being a part of the SCR family for a few weeks, Roberts said she already feels at home. “Mutual respect, encouragement to succeed and a team atmosphere have made my transition a positive experience,” she said. “I look forward to many years with this institution. Morehead and the surrounding communities are indeed lucky to have such quality care available so close to home!”

St. Claire Regional provides 24-hour cardiac care by Board Certified, interventional cardiologists.

Runway Scrub & Accessory Event

St. Claire Regional Family Medical Supply lit up the runway in a one evening only sale that proved to be unlike any other! On April 28, FMS hosted a special event showcasing the new lines of scrubs, shoes and accessories being offered for the summer season. SCR Staff strutted their stuff down the runway wearing the latest styles, as Andy Baker, SCR billing specialist and owner of Kentucky Flair, served as the announcer. The new line was revealed after the runway show, giving attendees early access to the new products, in addition to great savings on all scrubs, shoes and accessories. Door prize drawings concluded the evening, with more than \$1,000 in prizes being handed out! Door prizes for the evening included Sanita and Brooks shoes, Cherokee and Koi scrub sets, diagnostics devices and the grand prize, an iPad Mini! Congratulations to all of the lucky winners from the evening, and a big thank you to everyone who came out for making the event a success.

Frankie Chapman, RN, cardiology department manager (left); and Courtney Hollingsworth, RN, director, cardiopulmonary services/ICU (right) were two of the many SCR Staff who took to the runway as models for the event. Chapman wore a royal blue Cherokee scrub set from the Sofia Vergara's Careisma line, while Hollingsworth sported the new Kellogg's line by Koi.

Cathy Schwab, RN, SCR oncology nurse, was the winner of the grand prize, an iPad Mini. Congratulations, Cathy!

Sarah Bradley, RN, assistant manager ICU, was one of the many attendees that hit the floor after the conclusion of the runway show to take advantage of the great savings and door busters that were offered during the night.

Together, our future is bright!

St. Claire Foundation Launches 2016 Fundraising Appeal

Submitted by: Tom Lewis

“Looking to the Horizon” is the theme of the St. Claire Foundation’s 2016 Annual Fundraising Appeal.

“Thanks in large part to our community’s support, St. Claire Regional (SCR) continues to grow and improve,” said St. Claire Foundation Executive Director Tom Lewis. “Our future is bright.”

The goal for the Foundation’s 2016 campaign is \$250,000, Lewis said.

Gifts received during the campaign can be designated by donors for a variety of purposes and needs, ranging from charity care for the uninsured and underinsured, to educational programs, to new equipment needs. SCR also recently broke ground on the new \$28 million Medical Pavilion adjacent to the medical center.

“We consider ourselves blessed, as roughly 60 rural hospitals have closed since 2010 and another 280 are at risk of closing,” Lewis said. “We’re not bragging; we’re humbled and thankful, because we know that the ongoing generosity of our community is an integral reason that our horizon is bright.”

Gifts to the St. Claire Foundation are tax-deductible. To give to the Foundation’s 2016 Annual Fundraising Appeal or for more information, call 606.783.6512 or visit www.st-claire.org/give.

“St. Claire Regional’s legacy is one of reciprocating community support,” Lewis said. “Everyone deserves excellent medical care, and the support of our community is essential for us to continue to evolve as the region’s leading rural healthcare provider.”
