St. Claire Regional Welcomes New Board Certified Pediatrician Shaheen M. Gill, MD

"My family and I have made Morehead our home and I look forward to working with the children and youth in this region. I very much enjoy working with the pediatric population. I have special interests in working with children who have autism spectrum disorders and attention deficit hyperactivity disorders (ADHD)."

St. Claire Regional is proud to welcome Shaheen M. Gill, MD, board certified pediatrician, to our medical staff. Gill has special interest in developmental and behavioral pediatrics and will be seeing patients at St. Claire Counseling.

Gill received her medical degree from the University of Punjab in Pakistan. She completed a residency in pediatrics at St. Joseph Hospital in NJ and a fellowship in developmental and behavioral pediatrics at Georgetown University in Washington, DC Before moving to Morehead, Gill worked with Geisinger health system in State College, PA for more than 10 years.

Gill is married to Rashid Chaudhry, MD, board certified psychiatrist, who is also employed at St. Claire Regional. Gill and Chaudhry have been married more than twenty-seven years and have two wonderful sons: Hashim and Asim. Hashim is a second year medical student at the University of Kentucky College of Medicine and Asim is a junior computer science major at Morehead State University. "I love taking care of my family and cooking all cultures of food," says Gill. "Cooking is a part of taking care of my family."

Dr. Gill is providing pediatric developmental and behavioral health services at St. Claire Counseling and is currently accepting new patients.

If you would like more information about Dr. Gill's services call 606.783.6805 or 888.400.4544.

St. Claire Regional *Provides Free Screenings for Local Health Fairs*

Northeast Kentucky Community Action Center of Olive Hill - Community Health Fair

St. Claire Regional provided free screenings and informational booths for the community health fair hosted by Northeast Kentucky Community Action Center of Olive Hill on May 7th. The health fair provided screenings for cholesterol, glucose, blood pressure, pulse, oxygen and stroke assessment. General information booths were set up for nutrition, behavioral health, SCR Homecare and Family Medical Supply.

SRG Global of Morehead - Employee Health Fair

St. Claire Regional provided free screenings and informational booths for SRG Global of Morehead as an on-site health fair for employees of SRG on May 14th and May 15th. The health fair provided screenings for cholesterol, glucose, ABI/PVD, blood pressure, pulse, oxygen and bone density. General information booths were set up for nutrition, behavioral health and Family Medical Supply.

St. Claire Regional

Relay For Life started off with the survivor lap around MSU's Laughlin Health Building. Many of the survivors that walked the survivor lap were patients of St. Claire Regional. The night consisted of fun games, food, Zumba and the luminaire lighting ceremony in memory of a loved one or friend who has been affected by cancer.

St. Claire Regional's Team Hope was supported by staff, family and friends of SCR. Fresh watermelon and cold water was handed out throughout the night from the SCR table while team members participated in the events and games. SCR's Team Hope raised \$2,500. SCR Family Medicine Morehead raised \$900 selling hotdogs and raffling off a kiddie pool full of summer fun items during the night of relay.

Pause for Applause

Staff Recognition

Submitted by: Mindy Morris-Sexton

A “Pause for Applause” staff recognition event was held on May 20th to recognize the efforts of Raymond Steagall, Brent Barnette and Chris Howell during the flooding that occurred on April 3rd. Phelan Bailey, Director of Emergency Services, had this to say about the events of that night:

“The ambulance bay was flooding tonight and we were just 10-15 minutes away from the ED taking on water. Raymond Steagall was one of the first to arrive after we notified security/maintenance. He shows up in street clothes and ran straight into the middle of the flooded ambulance bay to look for the drain so he can clear it. After he found the drain and began to clear it, other maintenance workers (Chris Howell, Brent Barnette) arrived and got rakes, at which point they were able to keep the drains cleared and the water receded.”

There truly are angels among us and they showed up just in time to save the ED from flood waters that would have undoubtedly been costly, and time consuming to clean up, not to mention the inconvenience to patients and staff.

St. Claire Regional extends its thanks to these individuals for going above and beyond their call of duty for the good of our facility and our patients.
