St. Claire Foundation's Annual President's Luncheon

St. Claire Foundation's annual President's Luncheon was held on Friday, Oct. 30, at the CHER building to recognize our organization's largest donors and to educate them on all the great things their donations are supporting.

Mark J. Neff, SCR President/CEO, thanked the generous supporters in the crowd; and discussed the many updates, expenditures, community benefits and additions to St. Claire Regional over the last year and how donors help to support those causes.

Tom Lewis, executive director of the St. Claire Foundation, recognized St. Claire Society Members and Visionary Givers. Visionary Givers include those who contribute an annual gift of \$1,000 or more. The St. Claire Society is split into various levels, beginning at \$10,000, based on the total amount of money donated by a member since the Foundation's inception.

Lewis recognized new and advancing members of the St. Claire Society with a plaque. St. Claire Regional thanks the generous individuals and companies that support our organization through their giving to help SCR grow and continue our mission in Eastern Kentucky.

To learn more about the St. Claire Foundation or to give to SCR visit www.st-claire.org/give.

Mark J. Neff, SCR President/CEO; Jahnna Lane, Gateway District Health Department; Bill Shely, Cave Run Pharmacy; and Tom Lewis, Executive Director, St. Claire Foundation

SCR partners with Fazoli's to honor veterans on Veterans Day

On Wednesday, Nov. 11, St. Claire Regional Medical Center and Fazoli's of Morehead teamed up to provide FREE dine-in meals to active and retired veterans in the community throughout the day.

St. Claire Regional's Courtney Hollingsworth, RN, director of cardiopulmonary/ICU; and Sarah Bradley, RN, assistant manager ICU, were present with the Fazoli's team (Quantessa Taylor, Jasmine Barbee and Malesa Jones, Fazoli's general manager) greeted veterans who came in during lunch time.

Sarah Bradley, assistant manager ICU, is pictured here with friend and Army veteran, Connie Buschman, at Fazoli's for her free Veterans Day meal.

ICU falls back with a little fun during Daylight Saving Time

submitted by: Sarah Bradley, assistant manager ICU

On Sunday, Nov. 1, at 2 a.m. the ICU celebrated "falling back" with an early morning party. This annual night shift requires 13 hours of work as opposed to the regular 12 - making it a good cause for a party. ICU and Respiratory night shift staff were treated to bacon and waffles by their supervisors.

Pictured from left to right, front row: Joelle Craft, RN; and Jo Justice, RN
Second Row: Sarah Bradley, RN, assistant manager ICU; Brittany Tackett, RN; Courtney Hollingsworth, RN, director of cardiopulmonary/ICU; and Megan Brown, RN
Third Row: Amanda Day, RRT; and Tony Bellamy, unit secretary
Fourth Row: Tericia Tackett, CRT; and Samantha Jordan, CRT

Amazing. Medicine. Close to Home.

2015 Bluegrass District Emerging Nurse Leader Nominee Jennifer Schadle, BSN, GRN, RN

submitted by: Lisa Wallace, RN, director, women's & children's services, fourth floor nursing

Jennifer Schadle, BSN, RN, fifth floor nurse

Congratulations to Jennifer Schadle, BSN, RN, for winning the Bluegrass District Kentucky Organization of Nurse Leaders (KONTL) Emerging Nurse Leader 2015. All KONTL members were invited to nominate one nurse within in their district who was a KONTL member based on AONE Emerging Nurse Leader criteria. The nominee with the highest score won and represented the district at the KONTL Fall Leadership Conference held in Louisville. This was the first year for the KONTL Emerging Nurse Leader Award. Winners received a crystal trophy and certificate.

Schadle began her health career as a Certified Nurses' Aide and completed her Bachelor of Science in nursing at Morehead State University. She has been a Registered Nurse for three years working on fifth floor at St. Claire Regional in Morehead, Kentucky. She is certified in Geriatric Nursing (GRN) and is continuing her education toward Nurse Practitioner through Eastern Kentucky University.

Schadle roles include charge nurse and preceptor. She completed NICHE Leadership Training and serves on the steering committee, actively demonstrated leadership as co-chair in TCU/IRU Unit Based Shared Governance Council and was a member on the Education/Research Shared Governance Council. She presented a falls research poster at the 2013 KONTL Fall Leadership Conference. In 2014, she won the Joan Wells Post-Acute Care Nursing Excellence Award at SCR. She has attended the KONTL Fall Leadership Conference annually since 2012 and has assisted with providing community stroke education at health fairs. Her peers and supervisor describe her as supportive, engaged, problem-solver, and accountable.

SCR recognizes Nov. 8-14 as Perioperative Nurse Week

Nov. 8-14 marked the celebration of Perioperative Nurse Week, an annual celebration of perioperative nurses and their commitment to safe patient care. The Association of periOperative Registered Nurses (AORN) is the national association representing the interests of over 160,000 perioperative registered nurses in hospitals and outpatient surgery centers. AORN's 40,000 registered nurse members manage, teach and practice perioperative nursing.

We as perioperative nurses want to let you know that we are working hard to protect you—our patients—when you are most vulnerable. Join us in celebrating perioperative nurses and our dedication to safe patient care for 2015 Perioperative Nurse Week.

Turkey Trot 5K raises \$6,500

submitted by: [Mary Horsley, RN, clinical coordinator, TeleCare](#)

The Turkey Trot 5K kicked off at promptly at 10 a.m. with almost 230 runners.

Pictured above, Howard's Team Lock Up, received the award for both largest team and largest fundraising team. They had 55 participants and raised over \$2,000.

Thanks to all who participated in our annual Turkey Trot 5K on Nov. 7, as \$6,500 was raised for the St. Claire Foundation Alzheimer's & Dementia Care Fund. With more than 300 attendees and 228 participants ages 6-78 finishing the race, 2015 marked the event's biggest year yet.

Congratulations to our top three finishers: Bradley Mahaffey (00:13:40); Dennis Fulmer (00:13:40); and Steven Vaughn (00:14:25).

ST. CLAIRE REGIONAL Christmas Giving Opportunities

Rowan County Christmas

St. Claire Regional is participating in Rowan County Christmas this year. This program is sponsored by SCR and other Rowan County social service agencies, churches and organizations. The program provides new toys for children 18 years of age and under, gifts for the elderly and food vouchers for families.

If you or your department would like to adopt an individual or family this year, choose an "angel" from the tree and sign the adoption form.

Then choose one of these options:

Purchase one \$20 gift for a male, female or family and attach your name and phone number.
(Please, no clothes)

Bring a \$20 donation with your name and phone number to the Foundation House and a Rowan County Christmas Board Member will shop for you.

Tape your "angel" to the unwrapped gift or monetary donation, and deliver to Regina Thompson at the SCR Volunteer Office.

Storybook Christmas

St. Claire Regional is helping the MSU/Rowan County Adult Basic Education and Literacy Advisory Board collect new books for children under the age of 18. These books will be given to children and teens throughout Rowan County. Last year, SCR made it possible for many children to have their first new book.

Individuals or departments can participate by placing new books in the Storybook Christmas Basket located in the cafeteria.

**Please turn in all gifts, books and donations by
FRIDAY, DECEMBER 4**

St. Claire Regional donates antibiotics to the Prince of Peace home for girls in Guatemala

The Prince of Peace (POP) home for girls is a Kentucky based orphanage. Currently 16 churches located throughout the state from Morehead to Louisville sponsor and visit the POP. There are over 50 girls at the home and they can range in age from 3 into their twenties. Many of the girls have been physically abused, raped or found wandering on the streets abandoned by their parents. The goal of the home is to take the girls in providing a safe haven, educate them so they can become self-sufficient and learn a better way of life. The POP hosts churches throughout the year to help maintain the home and above all, to show the girls love. The visiting church teams work on various projects such as painting, sewing, mowing the lawn, building projects or an oil change for the vehicles.

For the past five years, Abby Baker, St. Claire Regional coordinator of medical staff development and recruitment, has had the privilege of traveling to the POP on a mission trip with Living Water Church in Mt. Sterling. Each year during their planning phases the POP will share with the group their most emergent needs. One of their challenges is transporting as many goods as possible at a minimal cost. In preparation for her trip in October, she shared that the clinic was in need of antibiotics with Mark J. Neff, SCR President/CEO. Many of the medications and medical

equipment donated to the home are typically expired or outdated. Regardless of the expiration dates the clinic is just happy to receive anything that they can get. For those that have never visited a third world country the medical care that they receive compared to ours in the US is by far inferior. Baker would like to express her gratitude and appreciation to St. Claire Regional for donating the antibiotics to the POP so the girls can receive adequate care.
