St. Claire Retail Pharmacy Extends Hours of Service

To better serve our staff and patients, St. Claire's Retail Pharmacy is expanding hours and adding weekends effective Saturday, February 17. New Monday thru Friday hours of operation will be 7am to 7pm and Saturdays and Sundays from 9am to 5pm, thanks to the addition of two new pharmacists to our retail pharmacy team, Chris Hall and Misty Bolton. If there are any questions, please contact Stephanie Justice, Director of Pharmacy Services.

Monday - Friday
7am to 7pm

Saturday & Sunday
9am to 5pm

St. Claire Retail Pharmacy is having 2 iPad Drawings !

All staff who have prescriptions filled at St. Claire's Retail Pharmacy beginning Monday, February 19, through Thursday, May 31, will be entered in one of two drawings. One iPad will be given to a new/first time SCH staff retail pharmacy customer who either transfers or gets a prescription filled and one will be given to a loyal/existing SCH staff retail pharmacy customer who gets a prescription filled or refilled. Feel free to stop by the retail pharmacy for details.

Did You Know?

- **All staff enrolled with SCH's Humana Insurance Plan receive a discount on their prescription copays.** Copay discounts are only available for staff members. We would love to fill your family members' prescriptions; however, they are not eligible for staff only discounts.
 - SCH staff with SCH's Humana Green & Blue Insurance Plans receive a **25% discount** off prescription copays.
 - SCH staff with SCH's Humana Red Insurance Plan receive a **25% discount** off prescription copays up to a **maximum of \$15.**
- **St. Claire's Retail Pharmacy fills 90 Day Prescriptions and all staff with SCH's Humana Insurance receive copay discounts on 90 Day fills.** Staff will save money by switching their 90 day mail order prescriptions from Humana's pharmacy (or any other pharmacy) to St. Claire's pharmacy. For example, \$20 copays become \$15. And, most prescriptions can be picked-up the same day.
- **We offer Price Matching with our local competitors, such as Wal-Mart.** For example, If you were to fill a 90 day prescription for levothyroxine, you would pay \$20 for the prescription via mail order. With our price match offer, you would pay \$10 for a 90 day prescription.
- **In many cases, with medications that fall in to the higher copay tiers, our pharmacy may be able to assist you in finding additional coupons from the manufacturer that will further reduce your cost.**
- **We also offer our staff special pricing on some common medications that are no longer covered by our insurance.** For example, loratadine can be purchased with a prescription for \$10 for a 90 day supply while cetirizine is currently \$24 for a 90 day supply.
- **Payroll deduction is also available for prescription copays.** Payroll deduction cannot be used for OTC (over-the-counter) products.
