Progressing Toward Primary Stroke Center Certification

The Stroke Care Network awarded St. Claire Regional's Stroke Care Program a "Rising Star" award at its annual summit on June 27 in Lexington, Kentucky. The award recognized SCR's progress towards accreditation as a Primary Stroke Center. SCR is an affiliate hospital in the Stroke Care Network created by UK Comprehensive and Norton Healthcare to develop the first community-based stroke program in the region.

SCR physician and medical director of the Stroke Care Program, Dr. Stephen Damron, said, "There are 24 hospitals in the stroke network at this time, and 4 awarded at the summit meeting. We were recognized

continued on pg. 2

for rapidly making meaningful progress toward accreditation as a Primary Stroke Center. If we continue to collaborate and educate, SCR will reach accreditation in the near future.”

As the leading cause of disability and the fourth leading cause of death, stroke kills 137,000 Americans a year (1 in 18 deaths). This year alone, 795,000 Americans will have a new or recurrent stroke, equaling to one stroke every 40 seconds.

Combatting this statistic in our community requires excellent public education, staff training and a commitment to team work at all levels. Cooperation

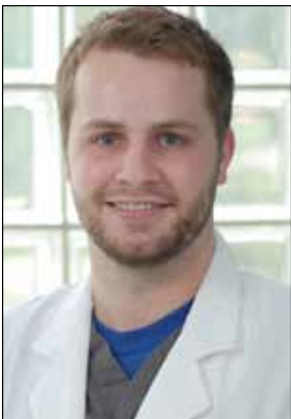

among SCR staff is vital in creating a healthcare team that is dedicated, competent and well educated in providing the best stroke care at SCR.

SCR’s Stroke Care Program has created subcommittees within the stroke implementation team to develop better stroke policies, protocols and education for SCR staff and the public.

The Rising Star award recognizes the progress made with SCR’s Stroke Care Program and the commitment of our stroke team members, along with being a milestone in the program’s journey towards accreditation as a Primary Stroke Center.

Phelan Bailey, RN, Director of Emergency Services Passes the CPN Exam

International Sisters of Notre Dame Visit SCR

Submitted by Sr. Judi Lambert

Sisters of Notre Dame from all around the world enjoyed a visit to St. Claire Regional on July 23.

Every two years, the Sisters of Notre Dame offer sisters from overseas the opportunity to visit the four provinces of the Sisters of Notre Dame in the United States. At each province, the sisters tour the various sites where the local sisters have their ministries. The five sisters from Germany and South Korea, had already visited the provinces in Toledo and Chardon, near Cleveland, Ohio.

During their visit to Covington, they have toured Cincinnati, Northern Kentucky, the Cathedrals, several churches and enjoyed a riverboat cruise. While in Morehead, they toured the hospital and CHER building. Next, they will visit our province in Los Angeles and then head home.

Back row left to right: Sr. Joell Overman, former administrator of SCR, Covington; Mark J. Neff, SCR President/CEO; Sr. Margaret Agnes Hemmerle, Covington; Sr. Luzilla Garming, Germany; Sr. Raphaelis Koenemann, Germany and Prof. Wilhelm Kossenjans, translator, Cincinnati

Front row left to right: Sr. Jeanne Frances Cleves; Sr. Marie Joanne Na, South Korea; Sr. Marie-Theres Hasenbeck, Germany; Sr. Lucia Maria Bergrath, Germany; Sr. Rita Geoppinger, Covington and Sr. Judi Lambert, SND, BCC, Director/Mission & Pastoral Care

Look Good...Feel Better

It's like a makeover for the spirit.

Look Good...Feel Better is a free program that helps women look their best during cancer treatment. At Look Good...Feel Better sessions, experienced cosmetologists teach cancer patients beauty tips to help minimize the appearance-related side effects of chemotherapy and radiation. Good makeup application and a wig or turban can bring back your former appearance or create an entirely new one. In looking better, you'll experience renewed self-confidence and self-esteem.

It's like a makeover for the spirit. And that's a beautiful thing. To learn more about Look Good...Feel Better or other American Cancer Society programs for patients, call 1-800-227-2345 or visit cancer.org.

Nina Lum, MD

Selected as Chief Resident for 2014-2015

Submitted by Dee Hamm

Nina Lum, MD, Chief Resident of St. Claire Family Medicine Residency

Each year, one resident is elected by their peers to serve as Chief Resident during their PGY-3 year. The Chief Resident is chosen for their leadership skills and clinical acumen. They function as a liaison between administration, faculty and residents, supervise coverage of call responsibilities and work closely with the residency administrator, site director and coordinators to identify opportunities in the residency and seek prompt, effective, and workable solutions.

It is with great pride that we announce

Nina Lum, MD, as the 2014-2015 Chief Resident for the St. Claire Regional Family Medicine Residency Program. Dr. Lum hails from Douala, Cameroon and is a graduate of University of Sint Eustatius School of Medicine in Netherlands Antilles.

SCR Volunteer Auxiliary is a friend to the Rowan County Library

Submitted by Regina Thompson

After a successful used book sale on the 1st floor, the SCR Volunteers donated a total of 142 hardback and 182 paperback books to the Rowan County Public Library. You too can be a friend of the library! You can volunteer in the Rowan Co. Public Library Friend's Book Store by pricing items, keeping the shelves organized, selling items or donate books and other items for the bookstore. All proceeds from the Friends Book Store sales benefit the library and their programs. Call Friend's Book Store President, Dave Muncy at 784-2934 for more information.

Thank you to everyone who donated books during the Auxiliary Book sale. The donated books help fund St. Claire Foundation programs.

Outstanding Performance in Bedside Medication Verification

Submitted by BMV Team

The St. Claire Regional Bedside Medication Verification (BMV) team would like to acknowledge the outstanding performance from everybody utilizing the bedside medication verification. Our scanning rates continue to climb and help increase our patient's safety. Our scanning rates for medications and patients are reaching 95% and 96% respectively. These are fantastic rates and as we move forward into different areas of the hospital we continue to have great success due to the collaborative efforts given by all the care givers. We want to recognize the top four staff members from the second quarter of 2014.

1st Place (tie) Chanette Kiser, RN
ICU
99.89 % Scan Rate

Katherine Endicott, RNA
3 Center
99.89 % scan rate

2nd Place Merry-Jo Cloud, RN
3 Center
99.86 % scan rate

3rd Place Jenilee Tierney, RN
3 Center
99.73% scan rate

These individuals have helped to ensure the safest patient care possible at St. Claire Regional and we invite you all to join us in congratulating them on their achievement. If you would like to contact the BMV team you can email us at BMV@st-claire.org.

AMBULATORY SURGERY

I received excellent care from all the nurses and **Dr. Clayton**.

Dr. Clayton was very thorough in explaining the procedure to my husband.

Dr. Clayton is one of the best physicians I've ever had. He is very kind and I felt completely at ease prior to surgery. The nurses were great, especially **Susie Hargett**.

I was treated very well by all staff in same day surgery and by **Dr. Clayton's** office staff. Also, a special thank you to **Kathy Trent**, purchasing agent and **Sheila Hamilton**, podiatry secretary for their help.

EMERGENCY DEPT

My nurse, **Ryane David**, was amazing. She was so good with my son and very informative to my wife and I. I couldn't be happier with her.

Dr. Paul Turley was very attentive. He gave great recommendations to me and my family and took time to personally contact my attending internist to make a plan for me until I could see my cardiologist.

Thanks to **Dr. Paul Turley**, there is no more pain from my medical problem.

My nurse, **Crystal Biddle** was great.

My nurses, **Lula Pecco** and **Brittany Engle** were wonderful! I couldn't ask for better care.

Dr. Jeff Wicker was very compassionate and comforting!

Nancy Conn, registration clerk, was great!

HOME HEALTH

I would never recommend any other hospital but SCR. They have the most caring and outstanding staff. **Shannon Moore, RN**, is exceptional.

Nathan Dillon, was the best home health nurse my wife and I have ever had.

Annette Sparks is my home nurse. She is an excellent care giver, a very good nurse and cares for others.

Pam Garheart, RN, is an angel in disguise! Loved her! She is very efficient and caring.

Tonya Kennedy is my home health nurse. She gives me good service and I wouldn't trade her for the world!

Nurse Shannon Moore is very attentive and qualified to be my caregiver.

I really miss the nurses after I no longer received care from **St. Claire Home Health**.

These girls are great especially **Pam Compton, RN**.

INPATIENT

They are very nice and very considerate in the ER. **Dr. Ravi** and the ER team were very helpful.

Dr. Burrows was very kind and considerate!

All SCR staff are very nice and helpful.

Dr. Crouse and **Dr. Stanfield** impressed us with them coming in on Sunday to do a hip replacement.

Dr. Burrows, Dr. Ledford and all associates are excellent.

The wound care nurses were wonderful, including **Jeanie Stamm** and all the other ladies. They made sure I knew how to do the dressing before we went home.

All of the doctors were great. **Dr. Burton** and **Dr. Phillips** were so concerned about my husband's health before and after surgery.

Chealsea Roe, RN, was absolutely wonderful. She had excellent nursing skills and was very kind.

Nurse **Chris Do** was especially efficient when my IV came loose.

MEDICAL PRACTICE

My husband and I are deaf. We needed an interpreter to understand the doctor. **Kimberly L. Bromogen** did a good job.

Erica Lee, RN, made sure that we were well taken care of and that all questions were answered.

Dr. Burrows is always very concerned with the well-being of his patients.

Dr. Ramey is wonderful. She cares about the whole family and making sure that everyone is taken care of. She always spends time talking

about and answering all questions that we have.

One of the primary reasons we've been patients of at **St. Claire Regional** for almost two decades is the exceptional level of care we receive, including knowledge, keeping us in our health care decisions, willingness to explain and compassion.

SCR has a very nice, friendly and efficient staff!

I really liked **Leslie Watts, APRN**.

Dr. Cupp is a very good doctor. He is kind and very interested in the well-being of his patients. He is very knowledgeable and helpful.

Dr. Ramey is an excellent physician. She is knowledgeable, caring and understanding and I highly recommend her to others.

Dr. Melahn is as good as it gets. He is my favorite physician.

SCR's staff is always professional.

SCR's staff were very courteous.

Dr. Gina Harrison went above and beyond her medical duties in my opinion. While a patient she would even call me on the phone to make sure I felt ok and to just check on me. During my entire hospital stay, she made sure my family and I had no questions.

SCR Family Medicine in Sandy Hook went above and beyond my expectation. I have already told my fellow employees that they should consider Family Medicine in Sandy Hook. I will continue to tell people how they went above and beyond expectations.

We loved **Dr. Hunter** and her nurses! Everyone was great!

Dr. Ramey is an excellent doctor. I have recommended her to all my family and friends

Dr. Hunter was wonderful. I appreciated the fact that she spoke in terms I could understand. She spent an appropriate amount of time with me, and never made me feel rushed. She coupled professionalism with friendliness in a very impressive fashion. I look forward to seeing her again.

Mary Caric is awesome!

I am very satisfied with **Dr. Hunter's** decision for my treatment. She listened to my need to let my injury heal naturally instead of expensive MRI or surgery right off.

Dr. Burrows is always very attentive to my concerns when I see him. He listens to me and answers all my questions.

I have seen **Glen Standifer, APRN** on several occasions and I am absolutely pleased and confident in his abilities. He takes time to hear my concerns and goes out of his way to offer advise for at-home care.

Golf Ball Drop

Thursday, Sept. 11, at 12:30 p.m.
Eagle Trace Golf Course

In conjunction with the 20th-Annual
St. Claire Foundation Charity Golf Outing

Sponsored by

Our fingers are crossed for a beautiful day at our 20th-annual golf outing. Hopefully the only shower will be the sight of up to 1,000 golf balls raining down on a target during our inaugural Golf Ball Drop Raffle, sponsored by Fleming-Mason Energy.

At lunchtime, numbered golf balls will be dropped from a Fleming-Mason Energy bucket truck onto a target.

The owner of the first ball into the hole (or nearest to it) will win half of the raffle pot (up to \$5,000)! The rest of the proceeds will assist St. Claire Regional with preparations for a new medical office building to combine the health care providers and services of Cave Run Surgical Specialists and Morehead Medical Specialists.

Chances are \$10 each. Your number(s) will be emailed to you. Please keep that email. You need not be present to win. The winner will be notified. Chances are nonrefundable.

GOLF BALL DROP RAFFLE ENTRY FORM

To purchase chances, complete the entry form and return it, with payment, to: St. Claire Foundation, 222 Medical Circle, Morehead, KY 40351. Or you may buy chances online at www.st-claire.org/golfballdrop.

Online sales will close on Sept. 10 at noon EDT.
