SCR FOUNDATION'S 20TH ANNUAL Benefit Golf Outing

Submitted by Tom Lewis

Despite the rain, there was an excellent turnout at the 20th Annual St. Claire Foundation Benefit Golf Outing held on Thursday, September 11 at Eagle Trace Golf Course.

Approximately 35 teams showed up to support the Foundation and raise money for the St. Claire Care Fund, which assures continued quality service and care for uninsured and underinsured people in our region. Each year, the Foundation's golf event raises at least \$100,000 in cash and product contributions.

One of Horizon Health's two teams won the morning flight, with Blue and Company winning the afternoon flight. SCR Director of Human Resources Jennifer Campbell was the winner of the inaugural Golf Ball Drop Raffle, sponsored by Fleming-Mason Energy.

Two of Horizon Health's team members, Karen Holifield, FACHE, MHA, NHA, PT, SCR Vice President, Clinical & Post Acute Care Services and Kevin Trent, LNHA, SCR Administrative Director, Home Care Programs with their first-place trophies for the morning flight.

“The Golf Ball Drop Raffle was a wonderful and fun idea to help raise money for a new medical office building that will help in facilitating care for so many people in the region. I plan on donating a portion of my winnings to the Foundation,” said Campbell.

The Foundation also recognized the eight “platinum” sponsors who have supported the golf outing every year since it began 20 years ago. They are American Business Systems, DBL Law, Larry Fannin Chevrolet-Buick-GMC,

Morehead State University Foundation, Kentucky Bank, Pepsi, The Citizens Bank and Whitaker Bank.

Mark J. Neff, SCR President/CEO said, “Although the weather was sub-par, we couldn’t have asked for a better turnout to celebrate the 20th anniversary of our Foundation’s Benefit Golf Outing. I want to thank those who generously shared their time and donated funds, products and gifts to support St. Claire Regional and the Foundation’s St. Claire Care Fund.”
