SCR Receives K-HEN Grant

for Staff Education and Development to Implement an ICU Delirium Treatment and Prevention Program.

St. Claire Regional will be receiving a K-HEN grant in the amount of \$8000 for implementation of an educational program to prepare the nursing staff for care of patients in the ICU that may suffer from ill effects of being on mechanical ventilation. Four of the staff will be going to Vanderbilt Medical Center in Nashville, Tennessee to learn about order set and treatment of ICU delirium. The need for such was identified by Courtney Hollingsworth, RN, SCR Nurse Manager and Sister Judi Lambert, SND, BCC, Director Mission/Pastoral care. Dr. Freda Kilburn, SCR Nursing Practice Consultant was the primary grant writer. A guest educator from Vanderbilt will be invited to SCR for a one day workshop for the clinical staff. The plan is for the entire program be developed and fully implemented by April, 2014.

Donna Meador, RN, MSN, CENP, K-HEN Project Director said, "We are very appreciative of your planned work to reduce harm that impacts several different areas –falls, VAE, etc.! We felt that your project was very well written and planned. We are very excited for your project to get started, and can't wait to hear your progress."

Last month, Courtney and Freda gave a poster presentation in the hospital cafeteria and started a required one hour session for all nursing staff to become knowledgeable of the fall program. Congratulations to Courtney, Sr. Judi and Freda for their hard work and commitment to SCR and to the patients that we serve.

Courtney Hollingsworth, RN, SCR Nurse Manager; Freda Kilburn, SCR Nursing Practice Consultant and Sister Judi Lambert, SND, BCC, Director Mission & Pastoral care

Breakfast with Santa

Submitted by Terri Winkleman and Barbara Davis

With sleigh bells jingling, Santa Claus once again visited SCR for EMPACT'S annual Breakfast with Santa on Saturday, December 7th. With wide eyes and excited smiles, over 100 children sat on Santa's knee, promised him that they had been good and told him what they wanted for Christmas.

While they waited for their turn, the families also enjoyed a complimentary breakfast that included sausage biscuits, doughnuts, doughnut holes, juice and milk. Santa passed out candy canes and stockings the kids could color. The stockings had all kinds of goodies for the kids inside such as crayons, a stuffed elf toy, candy and clementines. The day also happened to be National Cotton Candy Day and cotton candy was available for the kids to take home and enjoy.

Free photos with Santa are available by contacting Barb Davis at extension 7621 or via email at bldavis@st-claire.org. All photos are also available on the SCR intranet under EMPACT events.

EMPACT would like to thank Santa and all of his elves as well as the Citizen's Bank for donating the use of their cotton candy machine and supplies. If you would like to become involved with EMPACT please contact the group's president, Angel Beamon, at 7599 or angel.beamon@st-claire.org.

Congratulations Denise Mooney, RN, CGRN

First SCR Nurse Certified in Gastroenterology

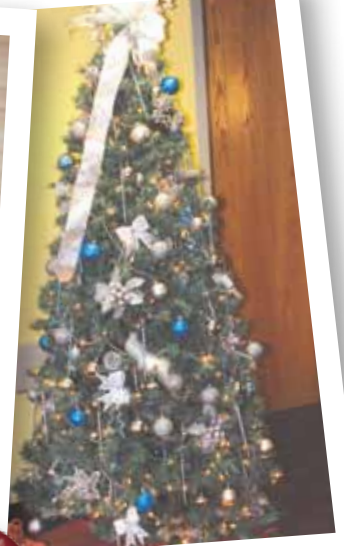

Submitted by *Libby Fannin*

Denise Mooney, RN, CGRN, just passed the board certification in the field of gastroenterology. She is the first nurse at St. Claire Regional to receive this certification. Denise has been an R.N. in the endoscopy unit at SCR for all but a couple months of her 18 year career at SCR. Denise started off as a staff nurse and was promoted to PCC in 2001. She was also selected by her peers for the Nursing Excellence Award in 2004 and again in 2007. Please congratulate Denise on her recent certification and for all the years of outstanding service she has dedicated to SCR.

Denise Mooney, RN, CGRN
Patient Care Coordinator, OPCC

St. Claire Regional 2013 Staff Christmas Party

...the free gift of God is eternal life through Christ Jesus our Lord...

Romans 6:23

This Christmas season we want to consider the greatest gift of love... the gift of Jesus Christ. A gift so precious, so costly, so huge, so unimaginably extravagant that we cannot comprehend such LOVE. It is a LOVE that is bigger than our minds can grasp. God the Father, Who is LOVE – loved us so much that He gave His Only Begotten Son – a gift of life, salvation, deliverance, healing, reconciliation and restoration, to give us eternal life. How great is our God...How great is His LOVE for us. Merry Christmas to you all!

The Morehead State University Tuba & Euphonium Ensemble Comes to St. Claire Regional

The MSU Symphonic Tuba & Euphonium Ensemble put on a remarkable Christmas show in SCR's main lobby on Wednesday, Dec. 5. A small crowd watched as the tuba ensemble played everyone's favorite Christmas tunes to perfection, including "Silent night," "The Grinch," "Joy to the World," "Jingle Bells" and "Hark the Herald Angels Sing." At one moment, the MSU Tuba band director, Dr. Stacy Baker, handed out sleigh bells to the children and other spectators, who danced and jingled along with "Jingle Bells." The group of 16 Tubas made a very diverse, low-pitched, but beautiful sound that could be heard throughout the hospital. The performance that ended on the classic, "Merry Christmas," lasted about 30 minutes and was a great success that put every listener into the Christmas spirit.

During this Christmas season, the St. Claire Foundation is thankful for all of the gifts that we have received this year from SCR's physicians and staff. We also wish to take a moment to thank God for the greatest gift ever given. Merry CHRISTmas!

"The angel said to them, "Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Savior has been born to you; he is the Messiah, the Lord."
— Luke 2:10-11

SCR's New Clinical Support Leader for Third North

Submitted by Lerae Wilson

Nancy Maggard, RN, BSN

Nancy Maggard, RN, BSN, has accepted the position of Clinical Support Leader for Third North. Over the next few months, Nancy will be transitioning into this new role until a replacement is found for her current position. Nancy has been with SCR for 28 years. She began her career at SCR as a staff nurse on the Behavioral Health unit. Since then, she has worked in many nursing capacities including Nursing Coordinator, Nurse Manager, and Director of Med/Surg. Most recently, Nancy has worked as the Director of Nursing Informatics since 2011. Nancy is currently pursuing her Master's Degree from Kaplan University, with an anticipated graduation date of June 2014.
