INPATIENT

Didn't have any complaints, thought nurses **Julie McKinney** & **Arpie Hampton** were extra thoughtful about my care.

Tracy Berry and **Brandi Beam** both were very friendly and prompt nurses. **Sarah Gilliam** and **Kayla Nichols** were so good to me also. ALL nurses and aides gets an A+! Also **Lori Gulley**.

In the ER her name was **Dr. Rodgers** I think she saved my life for keeping long enough in the ER to X-Ray and a CAT scan that night to find the blood clots.

The nurses were great, especially **Diane Beane**. The stay went so much better than you would expect for a hospital stay. All in all, I would rate the stay very good. Everyone was very courteous, can't say enough good about it.

All of the nurses were great, but **Anna Holbrook** was exceptional. She was incredibly compassionate and attentive; by far the best nurse I have ever had the pleasure of meeting.

The nurses were great, **Amanda Radeke** left me a note while I was gone for a test to wish me better health!!

Jeanie Enix, **Debbie Gibson**, **Ann Graham** are excellent.

All nursing staff very good but one in particular, **Jessica Skaggs**, stands out. Very kind, compassionate and thorough. Excellent nurse!

Excellent care from **Dr. Ravi** in the ER and also **Dr. Henly**! Very caring and compassionate.

Dr. Mitchell was great, but **Kristina Thompson, LPN**, was the greatest nurse ever.

FAMILY MEDICINE – OLIVE HILL

Always greet us with a smile. **Traci Blevins**, **Linda Tackett** and **Kim Cundiff** are easy to talk to.

No waiting at all. Nurses and **Mary Anne Brown** were very fast to get me in and out. Great job!

All the nurses are great - very nice. My daughter loves them **Missy Gilliam** and **Theresa Hanshaw** gave her immunizations and it was the best experience we have had with shots.

Mary Anne Brown is great - wonderful with kids.

The clinic looked very clean. **Brenda Evans** does a wonderful job.
