SCR Staff prepare seared tuna kabobs and gourmet fruit cups

The smell of fall surrounded guests as they walked from booth to booth sampling sweet treats and various art works from the region at the 2nd Annual Autumn Arts and Eats Festival in Morehead. St. Claire Regional (SCR) participated with a booth set up on the heart of Main Street.

SCR showcased the culinary talents of its Aramark® catering staff with perfectly seared tuna and gourmet fruit cups, a twist on traditional candied apples. SCR captured the "Best Dessert" award for the second consecutive year and took in an impressive 997 tickets. Continuing the philanthropic spirit of the event, the hospital chose to donate all proceeds and prize money to Rowan County Christmas and Christian Social Services.

SCR staff members made this event a huge success by dedicating their time and talent to support the festival. A huge "Thank You" goes out to Food Services staff Mike Montes, Adam Skirboll, Rebecca Wells and Jill Cornett who provided the savory treats served from the SCR booth. SCR Marketing staff Valerie Campbell, Jessica Robinson, Gina Thompson and Matt Watts distributed coloring books to fair patrons.

By far your night shift nurse Alice Kitchen is the only nurse that explained anything to me or my family.

Jessica Callahan went above and beyond to be sure had everything needed when arrived home.
