One Night ABOUT YOU

ANOTHER SUCCESSFUL Women's Health CONFERENCE

SCR and UK HealthCare's collaborative women's health conference, One Night: About You, was another big success! The event took place on Wednesday, April 30 at the Morehead Conference Center and offered free health screenings, refreshments, health education sessions and door prizes to the public.

Over 130 women attended the event which kicked off with free health screenings and informational booths. This year's keynote speaker was SCR Family Medicine physician, Dr. Amy Conley.

Thank you to all of the educational speakers and all SCR and UK HealthCare staff who participated in making this event a success.

He was raised in Prichard West Virginia and completed his undergraduate coursework at Marshall University. His hobbies include golfing, fishing, spending time with his family, and he is an avid NFL

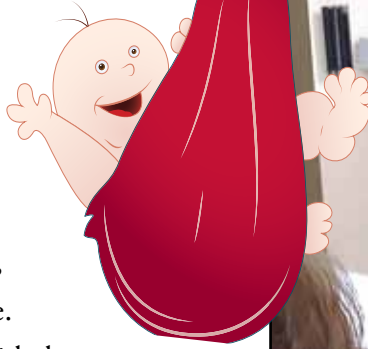

football fan. We also want to congratulate Dr. Nash on the recent birth of his first son!

Please join us in welcoming our new residents into St. Claire Regional Family Medicine's medical staff starting July 2014!

AN UNEXPECTED BABY

is Born at SCR Family Medicine

Franny A. Meritt, CNM, unexpectedly delivered a baby at the SCR Family Medicine clinic in Morehead on Friday, April 25.

Rachel Parker, over 9 months pregnant, started having contractions at her home. Rachel and her husband, Matthew, decided they should go see Franny to make sure.

During the exam, Franny realized that Rachel was going into labor and dilating rapidly. An ambulance was called to get Rachel across the street for delivery at SCR, but when the ambulance arrived, Franny realized it was too late to move her so the baby would have to be delivered at the clinic.

“There just wasn’t time,” said Franny.

With Dr. Ashley Hunter’s assistance, Franny delivered baby Gibson Parker, weighing 8 lbs. 10 oz, at 10:45 a.m. in the patient room of the clinic. This was Parker’s second child that Franny delivered and it was the first baby ever to be born at SCR Family Medicine’s new CHER building location.

Franny A. Meritt, CNM and Ashley Hunter, MD during an interview with WLEX Channel 18 news

“I was honored to serve this family for their amazing birth and I am very blessed that this was my second time attending them for a birth. Repeat clients are such a joy! I love seeing women be able to experience the amazing power of their bodies; to not only grow a baby, but to also experience how much their body actually helps them through the whole process,” said Franny.

EASTER EGG HUNT

Submitted by Barbara Davis

Over 200 children attended the 2014 Empact Easter Egg hunt on April 12 at Harold White Lumber Yard. The kids were split into three different age groups with three separate Easter egg hunts. To make things more interesting this year, each hunt contained a golden egg bearing a \$25 Gift Certificate to Wal-Mart. The fire department, ambulance service and PHI flight crew were also on site providing the children with an assortment of great activities to do. Empact would like to give a special thanks to all three of these services for volunteering their time. We would also like to thank all of the SCR employees who donated candy, eggs and time to make this year's Easter egg hunt a great one.
