 Community Baby Shower a Success .....4-5

Chamber Receives Sneak Peek of Medical Pavilion .....6-7  
 Thank You to Our Volunteers..... 8

**St. Claire  
 HealthCare  
 Awarded  
 GOLD  
 Recognition  
 for Dedication  
 to a Surgical  
 Smoke-Free  
 Environment**

St. Claire HealthCare has been awarded gold level recognition by the Association of periOperative Registered Nurses (AORN) for its commitment to patient and staff safety. The AORN Go Clear Award™ is a comprehensive approach to ensure a smoke-free environment wherever surgical smoke is generated. The award recognizes health care facilities committed to a surgical smoke-free environment for their perioperative team and patients.

*“We are very excited that St. Claire HealthCare has received this gold status as it demonstrates our commitment to patient and staff safety.”*

*Riki Watts, MSN, RN, NE-BC, CNOR  
 Director of Surgical Services*

St. Claire HealthCare is one of only 17 facilities in the United States, and the only facility in Kentucky, to receive the Gold Award in 2018.

AORN partnered with Medtronic through the AORN Foundation to create the Go Clear Award™ which is awarded at the bronze, silver and gold levels. Each facility was rated on their education performance, smoke evacuation compliance and ensuring their facility has the operating room equipment to effectively evacuate surgical smoke.

To learn more about the AORN Go Clear Award™ visit [www.aorn.org/goclear](http://www.aorn.org/goclear).

# Celebrating

## a life well lived

**Sister Jeanne Frances Cleves, SND, RN**

Please join us for a celebration of life in remembrance of our beloved Sister Jeannie.

**Sunday, May 6 at 2 PM**

Morehead Conference Center (111 E. First St. • Morehead, KY 40351)

Front (L-R): Patty Gardner, histology tech; MaryAnn Brown, cytology; Megban Howard, pathology assistant; Emily Jamison, lab secretary  
Back: Donna Fannin, lab director; Cara Plank, lab processor; Jelana Lewis, blood bank manager; Heather Harris, office manager; Trina Pierce, medical technologist

## Recognizing our Medical Laboratory Professionals

*Submitted by Donna Fannin*

Medical Laboratory Professionals Week is a time of recognition for more than 300,000 medical laboratory professionals and 15,000 board-certified pathologists, who interpret more than 10 billion lab tests in the U.S. every year, and play a vital role in every aspect of healthcare. The week celebrates laboratory medicine and recognizes the professionalism of laboratory personnel, who are key in providing timely, correct diagnosis and improving patient outcomes.

Since laboratory professionals often work behind the scenes, few people know much about the vital testing they perform every day. Lab related jobs include medical lab technician, medical technologist, cytotechnologist, pathologist, phlebotomist and histotechnician.

At St. Claire Healthcare, the laboratory provides the following services: chemistry, hematology, microbiology, blood bank, serology, pathology and cytology. Our laboratory is progressive and efficient with state-of-the-art instrumentation.

The demand for medical laboratory testing is increasing due to stronger emphasis on preventative medicine, including early detection and patient responsibility; and an explosion of new medical technologies, such as genetic testing. New and different pathogens are contributing to increased needs for laboratory testing.

Laboratory test results constitute an estimated 70 percent of the patient's medical records, and are vital to the diagnosis and treatment of illness and disease.

Thank you SCH laboratory professionals for being a crucial part of the advanced medicine we provide our patients every day.

# COMMUNITY BABY SHOWER WAS A SUCCESS!

St. Claire HealthCare and UK HealthCare's annual Community Baby Shower had another successful year attracting over 200 new and expecting parents.

The event featured more than 40 information booths from local resources, and presentations by SCH and UK HealthCare providers on a variety of topics including mother's intuition, anesthesia during labor and preparing for fierce motherhood.

Over \$2,000 in prizes were given out, including car seats, baby monitors, high chairs and many other amazing baby shower gifts. Several lucky participants even won a sneak peek ultrasounds provided by Morehead State University's diagnostic imaging program.

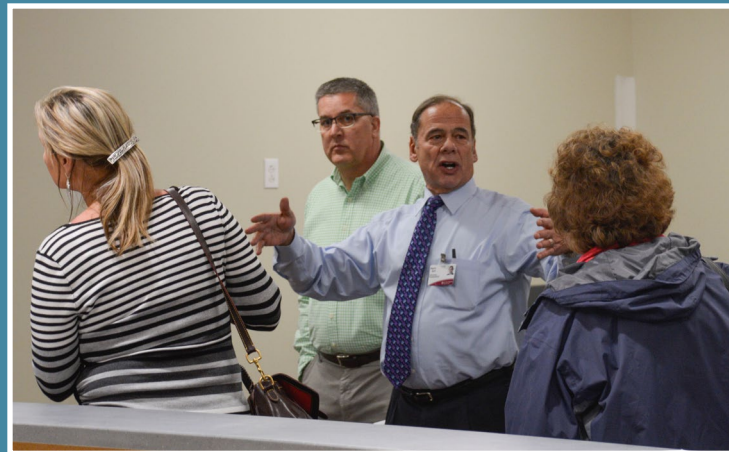

**For more pictures of the event, visit our album on Facebook.**

# Chamber Receives a Sneak Peek of the Medical Pavilion

St. Claire HealthCare was honored to host the Morehead-Rowan County Chamber of Commerce luncheon in April with more than 70 guests in attendance. Mark J. Neff, SCH President/CEO, provided the chamber with an update on all things SCH before inviting the group to a private tour of the medical pavilion.

# Thank You

to all of our dedicated volunteers!  
Your commitment to St. Claire HealthCare is truly appreciated, during National Volunteer Week, and all year long!

## Pre-order Your Stroke Awareness T-Shirt and wear it on Fridays in May!

All proceeds will be donated to the St. Claire Health Screening Fund to help increase the number of potentially life-saving screenings we offer throughout our region!

T-shirts are \$15 each and can be purchased via cash/check/payroll deduction.

**Call Nursing Administration at 606.783.6645 or email [NPD@st-claire.org](mailto:NPD@st-claire.org) to order yours today!**

## Congratulations, Jeannie Smith!

Jeannie was the winner of a Samsung 43" 5 Series, Smart Hub, Full HD TV in St. Claire Retail Pharmacy's Anniversary Week give-a-way!

## HealthStream Modules Due May 31!

HealthStream, the new learning module system taking the place of careLearning, is now live! Annual required modules will be assigned to each employee and must be completed by May 31. You will also have the option to self-register for additional modules, including free CEs.

HealthStream can be accessed through the Intranet, in Meditech, at [schstaff.org](http://schstaff.org) or directly at [www.healthstream.com/hlc/stclairermc](http://www.healthstream.com/hlc/stclairermc), and is accessible from home.

- Your user ID is your employee network ID.
- Your initial password is "welcome" but you will be prompted to change this during your first login.
