## St. Claire Family Dentistry - Morehead Celebrates Five Years of Service

*Submitted by David L. Graham, DMD*

St. Claire Family Dentistry – Morehead quietly opened its doors in May 2013. In the five years since, the clinic has shifted from operating only two days a week to five to better serve the community. “Our goal is to treat all patients quickly and easily, so everyone walks away with a smile, and is pleased with the service,” said David L. Graham, DMD.

Services include cleaning and exams, digital x-rays, fillings, extractions, partials and dentures, along with crowns. They offer referrals to oral surgeons, orthodontists, pedodontists and implant services. St. Claire Family Dentistry - Morehead also provides educational opportunities for general dental residents in cooperation with the UK College of Dentistry.

Please join us in celebrating this milestone!

## Seeds of Kindness

### Women of St. Claire HealthCare gather with family and friends for 2<sup>nd</sup> Annual Women’s Spring Refresh

*Submitted by Elizabeth Benedict*

During the 2nd Annual Women's Spring Refresh, Dr. Kim Williams and Jelana Lewis presented two different, yet equally uplifting views of the theme “Seeds of Kindness.” They encouraged all to nourish seeds of kindness and to embrace each other with love. The retreat was attended by 35 women, many new attendees, who enjoyed wonderful food, crafts and fellowship.

We would like to extend a special thank you to Roberta Gilbert and the St. Claire Gift Shop for decorating the event so beautifully and providing door prizes for the women to enjoy.

Planning is underway for the fall retreat in Covington which will be held October 5-7. More information will be available in the near future. If you are interested in attending this event, please contact Jelana Lewis at [Jelana.Lewis@st-claire.org](mailto:Jelana.Lewis@st-claire.org) or Liz Benedict at [Elizabeth.Benedict@st-claire.org](mailto:Elizabeth.Benedict@st-claire.org).
