Celebrating Survivorship with Sweet Treats

St. Claire HealthCare welcomed more than 100 guests during the third annual Celebrate Survivorship ice cream social in recognition of National Cancer Survivors Day® on Sunday, June 3.

"Ours was one of many celebrations held around the world to bring attention to the ongoing challenges of cancer survivorship, and to celebrate the fact that cancer survivors are living longer, better and more productive lives than ever," said Vickie Fairchild, RN, OCN, Oncology Patient Care Coordinator.

"This event is an opportunity for us to honor our local cancer survivors, as well as a chance for survivors, along with their families, to connect with each other, celebrate milestones and recognize those who have supported them along the way."

For more photos from the event, visit St. Claire HealthCare on Facebook!

Relay for Life of Rowan County
is just around the corner
and we need your help to
Slam Dunk Cancer!

Support our team's
fundraising opportunities.

Slam Dunk Cancer T-shirts

Order your T-shirt by contacting
Chelle Gilliam at 606.783.6579 or
Chelle.Gilliam@st-claire.org!

St. Claire HealthCare Welcomes New Medical Staff

Sarah Campbell, APRN
St. Claire Gastroenterology

Sarah Campbell, APRN, joins Thadis C. Cox, MD, at St. Claire Gastroenterology, now located in the St. Claire HealthCare Medical Pavilion.

“Preventative care has always been an interest of mine since nursing school,” says Campbell. “I enjoy teaching people how to be healthy and how preventative screenings benefit them. Gastroenterology fits into that perfectly.”

Campbell received a Master of Science in Nursing from the University of Kentucky in 2012 and came to St. Claire with more than five years of experience in the medical field.

“I’m in awe of the relationships that healthcare providers at St. Claire have with their patients,” she said. “I also enjoy the relationships built between providers at St. Claire. We work together closely and are able to bounce ideas off of one another. It’s collaboration like I’ve never seen before, and it’s been great.”

In her spare time, Campbell enjoys quilting, as well as spending time with her husband, Willy, and two sons; Spencer and Lucas, ages 13 and 10, both of whom love to show sheep in local and state fairs.

If you are experiencing consistent heartburn, abdominal pain or another stomach-related illness, ask your healthcare provider for a referral to see one of St. Claire HealthCare’s gastroenterology providers.

Tabitha Sims, APRN, is now seeing and accepting new patients at St. Claire Pediatrics located at 716 W. Main St., in Morehead.

Sims received her master’s in pediatric nursing (primary care) from Maryville University. She comes to St. Claire with more than eight years of experience in women’s care and neonatal nursing, and is certified by the pediatric nursing certification board.

“My first job out of nursing school was with St. Claire where I got my start in labor and delivery,” says Sims. “I simply love my new role. Pediatrics is my calling, and I love practicing close to home.”

Outside of clinic life, she enjoys spending time with her husband and four children; Sadie, age 10, Joey, age 6, and twins Levi and Roman, age 4. Sims also enjoys horseback riding, teaching POUND® fitness and volunteering at her church. “God has done great things for us, and we know the best is yet to come!”

For more information, or to schedule an appointment with any of our providers at St. Claire Pediatrics, call 606.780.5364 or visit www.st-claire.org/appointment.

BIKE MOREHEAD SATURDAY, JUNE 16, 2018

Bike Morehead is an event that Switchback Cycling & Outdoors and Morehead Tourism puts on each year.

Riders from this area and from all over Kentucky (and surrounding states) come to bike either a 50, 65, or 100-mile ride in Rowan and surrounding counties. There were more than 350 participants last year.

WE NEED VOLUNTEERS!

St. Claire HealthCare is a proud sponsor of Bike Morehead which is taking place on Saturday, June 16.

As a part of our support, SCH will be manning a rest stop which provides food/snacks and water/Gatorade for the riders. Our rest stop will be at the Cranston Volunteer Fire Department on 377 from 11:30 am to 5 pm. We need 4 volunteers at the rest stop at all times. In order to cover the 5 ½ hours, we will need at least 8 volunteers so that we will have at least 2 shifts. If we get more than 8 volunteers the shifts can be much shorter.

If you are interested in volunteering, please email Ched Crouse, MD at Charles.Crouse@st-claire.org.

Thank you to all staff who attended St. Claire's stroke awareness event in honor of Stroke Awareness Month.

Submitted by Kayla Harrison

We were able to provide cholesterol, glucose, blood pressure, oxygen and stroke risk assessments to over 100 SCH staff!

Congratulations to Diane Kincaid, RN, Outpatient Care Center, who won a \$50 Walmart gift card for having her NIH Stroke Scale Certification!

////////////////////////////////////
If you are a healthcare professional interested in obtaining your NIH Stroke Scale certification at no cost to you, email kayla.harrison@st-claire.org for more information.
