

## OUR COMMITMENT

We are committed to providing quality, safe care with excellent patient experience. We continuously look for ways to improve our services and welcome any suggestions that might help us in our mission.

If you have a question or concern about patient care or safety during your visit, we encourage you to share this directly with those providing the care or services, or contact the manager of the department. If you do not believe your concern has been adequately addressed, contact the Director of Patient Experience at **606.783.6591**.

St. Claire HealthCare is a not-for-profit health system sponsored by the Sisters of Notre Dame - Covington Province.

Amazing. Medicine. Close to Home.

[www.st-claire.org](http://www.st-claire.org)

St. Claire opened its doors on July 1, 1963, as a general acute care hospital with 41 beds, 9 nurses and 6 physicians representing 3 medical specialties (General Practice, Surgery and Internal Medicine).

Today, St. Claire is much more than just a hospital, it's an integrated healthcare system known as St. Claire HealthCare.

St. Claire HealthCare (SCH) is the largest employer in the region with over 1,300 staff members including more than 100 medical providers representing 32 medical specialties. It includes the largest rural hospital in Northeastern Kentucky with 159 beds, 7 family medicine locations located within 5 counties, a multi-specialty medical pavilion, an outpatient center, homecare services and operates 3 retail services including family medical supply, pharmacy and aesthetics.

SCH also partners with UK HealthCare to offer services at the Morehead Cancer Treatment Center and Morehead Women's Healthcare.

SCH serves as an established training site for the UK College of Medicine's Rural Physician Leadership Program.

All St. Claire HealthCare Services are Accredited by The Joint Commission.
