Signature Event Raises Nearly \$42,000 for St. Claire's Inpatient Rehabilitation Services

Thank you to everyone who came out to our record-setting Signature Event: Bourbon, Boots & Bling, presented by the St. Claire Foundation! Nearly 300 excited guests enjoyed an incredible evening of fine dining, bourbon, and lots of laughs. With the support of our generous sponsors, we raised nearly \$42,000 for the relocation and transformation of St. Claire HealthCare's inpatient rehab therapy gym and training space.

We give sincere thanks to our special guest speaker Cheryl Farmer who shared her moving testimonial about how St. Claire's amazing rehabilitation team (pictured above with Cheryl) helped her get back on her feet after a 100-day hospital stay.

"It thrilled us to see that many guests decked out in their cowboy hats and boots – and bling – laughing and enjoying themselves, knowing that they were helping us enhance a service that means so much to so many patients," said Tom Lewis, St. Claire Foundation Executive Director.

For more information about how you can support the St. Claire Foundation, contact Tom Lewis at Thomas.Lewis@st-claire.org or visit www.st-claire.org/give.

Welcome, Rural Physician Leadership Program Class of 2021

Submitted by Rebecca Todd, MD

The Rural Physician Leadership Program is proud to introduce the Class of 2021. These 10 students have completed two years of medical school in Lexington at the University of Kentucky College of Medicine. They will now participate in two years of clinical training based in Morehead with St. Claire HealthCare.

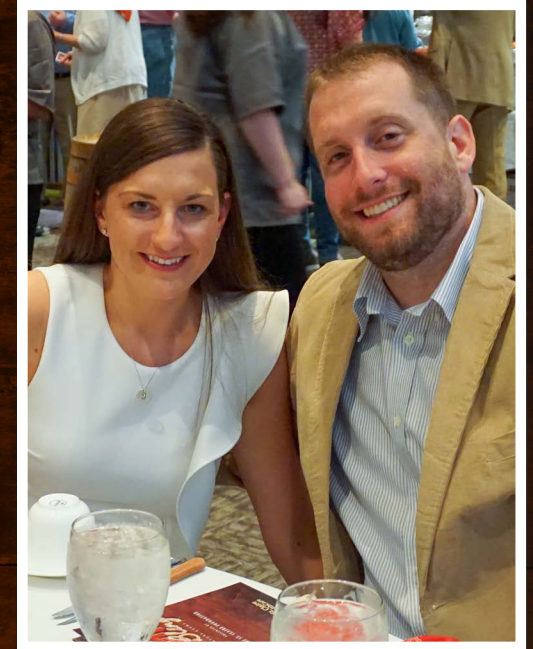

RPLP has been incredibly successful since its launch in 2008. Of the 19 graduates who are currently in medical practice, 84% work in rural Kentucky. Over 60 students have graduated in the past eight years (over 40 of them are still in residency training) and have entered 14 different specialties including Pediatrics, Family Medicine, and Internal Medicine.

The strengths of RPLP are the community engagement opportunities, one-on-one interactions with physician faculty members, and the close-knit small town atmosphere. RPLP hosted its annual Community Ties luncheon on Friday, June 28 to encourage interactions between medical students and local community members including Morehead Mayor Laura White-Brown, Rowan County Judge Executive Harry Clark, MSU Professor John Nelson, and St. Claire HealthCare Educational Liaison Greg Bausch.

Please join us in welcoming our new medical students!

Members of the Class of 2010 are pictured above. Front, L-R: Ray Mirembo (Kenya and Berea, KY), Tracey Standafer (Malone, KY), Chelsea Nolan (Stanton, KY), Kayla King (Louisville, KY), Tayler McMurtrey (Summer Shade, KY), and Benjamin Taylor (Tyner, KY). Back, L-R: Jonathan Bach (Jackson, KY), Neil Horsley (Lexington, KY), Jeremy Miller (Chantilly, VA), and Matthew Hudson (South Shore, KY).

RPLP Students Participate in Stop the Bleed Program Training

Submitted by Rebecca Todd, MD

Under the organization of Jacob Meece (UKCOM Class of 2020), fourth-year medical students from the Rural Physician Leadership Program participated in Stop the Bleed training. This program is a national awareness campaign intended to encourage community members to become trained and empowered to help in a bleeding emergency. Jacob is now an instructor for Stop the Bleed and has chosen this program as his senior community engagement project for medical school.

Thank you, Project Linus

The Bath & Rowan Counties Chapter of Project Linus recently donated 10 handmade blankets to St. Claire Regional Medical Center. These blankets, lovingly handmade by volunteers known as "blanketeers," provide love, a sense of security, warmth and comfort to children who are ill, traumatized, or otherwise in need.
