Directions for Completion of Form

Patient Information: Complete the entire section which identifies clearly and legibly all of the demographic information specific to the patient (individual whose information is being requested for)

Clinic/Health care Provider: Identify which Allina Health hospital or clinic you are seeking information from (or to be sent to). **Please be specific** in your request. For example, United Hospital, St. Paul, MN; Buffalo Hospital, Buffalo, MN; Allina Medical Clinic Shoreview, Shoreview, MN; Aspen Medical Group - Bandana Square, St. Paul, MN; Quello Clinic Lakeville. If you do not identify a specific hospital or clinic (e.g. Allina Health), records may be provided from **ALL** Allina Health hospitals or clinics where you have received care. Please see allinahealth.org/medicalrecords for a listing of Allina Health hospital and clinic locations and addresses.

Receiving Party: Identify the full name/business, address, phone and contact information with the name of the individual who is *to receive* the information. Please note: It is Allina Health policy **NOT** to fax or email patient information except for direct patient care requirements (e.g. to a doctor or clinic). *Please allow 7-10 days for all requests to be processed and sent to the recipient.*

Information to Be Released: This section gives us the instructions for what information you want released. If you select "Routine Record Set" for hospital or clinic, we will disclose the documents that are specific to that patient care visit. This is typically what doctors' offices, hospitals or other health care providers need to provide information related to your care. If you select "any and all" records, your entire record will be provided for a specific visit date or all dates. It is very helpful if you identify the date or range of dates, needed by the requestor.

Release Instructions: This tells us how you would like your information delivered. We can print the documents or create a CD. If you wish to view information prior to selection of documents, please identify this on the authorization form and we will contact you to set up a viewing appointment. Please note that viewing appointments are done at the Allina Health Corporate Office in Minneapolis. If you wish information about you to be shared verbally or for an authorization to be on file for others to have access to your medical information, please write this in this section (example: form on file for access by my husband upon his specific request).

Purpose of Request: Please identify why you need a copy of your record. This helps us to track and assign a priority status to your request. It also informs us who may be responsible for the cost of records (where appropriate).

Duration of consent, revocation and other information you need to know: This consent will automatically expire in 12 months **unless** you write some other date or event. You may indicate the consent is valid "5 years", "10 years", but there needs to be an ending date. The authorization is revoked at your written direction to our organization.
