

# JOIN YOUR T.J. REGIONAL HEALTH PATIENT PORTAL

Visit: [tjregionalhealth.iqhealth.com](http://tjregionalhealth.iqhealth.com)

Dear Patient,

We are pleased to offer secure online access to your medical information through our new patient portal. The patient portal allows you to view your lab results, view and schedule appointment, request medication renewals and refills, communicate with your providers, and much more.

If you are interested in joining the patient portal, provide us with your email address when asked so we can send you an invitation to set up your secure online account.

## SIGN UP NOW

- If you plan to use your patient portal account for yourself, you may self-enroll at [tjregionalhealth.iqhealth.com/self-enroll](http://tjregionalhealth.iqhealth.com/self-enroll), or you can provide your email address to a member of our health care team during your next visit.
- If you manage the health care of another person, for example your child, provide your email address to a member of our health care team.

Remember your username and password, as you will need them every time you log in to [tjregionalhealth.iqhealth.com](http://tjregionalhealth.iqhealth.com).

When you receive an email invitation, complete the following steps:

1. Click the **Accept Invitation** link in the email.
2. Answer the security question, agree to the terms of use and privacy policy, and click **Create Your Account**.
3. Verify your email address, create a username and password, and select your security question and answer.
4. Agree to the terms of use and privacy policy, and click **Create Account**.

## ACCESS FROM YOUR MOBILE DEVICE

After enrollment, you may also access the patient portal online using your mobile device or download our app from the app store.
