Discounted Telephone Service For Eligible Missourians
Telephone service is an important part of staying connected with family and friends, seeking emergency and government services, as well as community resources. The Lifeline and Disabled Programs can help make telephone service more affordable to eligible low-income and disabled customers in Missouri.

What Discounts Are Available To Missouri Customers?

The Lifeline and Disabled Programs offer a discount of up to $24 a month for eligible low-income or disabled customers.

Do All Providers Offer These Discounts?

Several landline and wireless providers participate in the Lifeline Program while only certain landline providers participate in the Disabled Program.

Contact your telephone provider to see if it participates in the Lifeline or Disabled Programs or visit www.lifelinesupport.org for more information and a current list of participating providers.

How Do I Find Out If I Am Eligible For Lifeline Or Disabled Program Discounts?

Customers who may be eligible for discounted service should contact their telephone provider for further details and to sign up for the Lifeline or Disabled Programs. Different eligibility criteria exist for each program.

Can I Get The Discount On Multiple Phones?

No. If a customer has more than one phone, the discount can only apply to one phone per household.

If My Provider Offers The Service, And I Qualify For Both The Lifeline And Disabled Program Discounts, Can I Get Both?

No. If a customer happens to qualify for both the Lifeline and Disabled Program discounts, the customer cannot combine the discounts. The Disabled Program discount is only available to qualifying landline customers. The Lifeline discount is available to qualifying landline or wireless customers.

Do I Have To Annually Verify My Eligibility To Continue In The Lifeline Program?

Yes. Verification of continued eligibility must be provided annually and will depend on your anniversary date for initiating Lifeline service. Failure to respond to a request to verify continued eligibility will trigger Lifeline Program de-enrollment and stop your Lifeline discount.
