Adult Abuse and Neglect

- Are you over 60 years old or between ages of 18-59 and have a mental and/or physical disability or know someone who is?

- Have you been neglected or know someone who has been?
  Examples:
  - Leaving someone alone who can’t care for themselves and cannot call for help.
  - Do they have food, utilities, clean clothes or needed medical supplies?
  - Do they have untreated medical problems?
  - Is the home they live in clean?

- Have you been physically or sexually abused or know someone who has been?
  Examples:
  - Do they have unexplained bruises, fractures, or burns?
  - Do they have frequent falls with no explanation?
  - Do they have untreated sexually transmitted diseases?

- Have you been financially abused or know someone who has been?
  Examples:
  - Do they have bills or needs not being met although they have finances?
  - Do items disappear with no explanation?

- Have you been emotionally abused or know someone who has been?
  Examples:
  - Did they have change in their behaviors?
  - Are they isolated from others?
  - Has anyone been verbally aggressive or demeaning to a person?

If you are being abused or neglected or suspect someone is being neglected or abused, call the hotline for your state:
