Adult 500 mg Tablets	--	--	--	--	--	--	--	1	1	tabs

*Read table notes below.

Should NOT use any medications younger than **6 weeks of age**, unless advised by physician. Any fever in this age group needs to be checked by a doctor.

Ibuprofen should not be used under **6 months** of age due to possible effects on the heart (early closing of one of the holes in the heart).
