Academic, patient-centered care, conveniently located in the heart of the city.

At University Health 2, our patients receive the very best in primary care and women’s services from doctors who are so knowledgeable they teach the doctors of tomorrow. From education and prevention to diagnosis and treatment, our providers will take excellent care of you.

PRIMARY CARE

University Health Primary Care – 816-404-4862
Center for Primary Care
Quality, academic primary care for patients 18 years of age and older

Our dedicated Primary Care team of physicians, residents, nurse practitioners and support staff work together to offer the highest quality primary care to our patients. Providers treat everything from minor illnesses to more complex chronic conditions like diabetes and high blood pressure.

University Health Primary Care – 816-404-IMED (4633)
Internal Medicine
Specialized and compassionate care for patients 18 years of age and older

Our Internal Medicine physicians are experts in the prevention, diagnosis and treatment of adult diseases. Highly trained to manage and treat diseases and diagnostic problems including severe chronic illnesses and multiple diseases at the same time.

Meet Our UH2 APRNs (Advanced Practice Registered Nurse)

WOMEN’S CARE

University Health Women’s Care – 816-404-4966

**UH2**

*Healthcare expertise in a comfortable setting for women of all ages*

From routine screenings to disease diagnosis, treatment and surgery, our Women’s Care team provides the best possible healthcare in a comfortable, state-of-the-art setting. Our OB/GYNs offer well-women exams, as well as expert care throughout your pregnancy and delivery, and through menopause and beyond. Our maternity team also includes highly trained certified nurse midwives. For some gynecological procedures, we offer minimally invasive surgery using the da Vinci robot that can result in less pain and shorter recovery time. Count on us for preventive care, wellness services, and specialty care, including urogynecology, gynecologic oncology, reproductive endocrinology, and pelvic floor reconstruction, that meets your needs through every stage of life.

University Health Women’s Care – 816-404-4966

**Prenatal Ultrasound**

*Advanced ultrasound technology for accurate results*

University Health Women’s Care Prenatal Ultrasound provides some of the most advanced ultrasound technology available, including 3D, 4D and xMatrix technology for pregnancy ultrasounds.
