About Us: University Health provides an array of acute care and outpatient services. UH-TMC has the busiest adult emergency room in the Kansas City metropolitan area with more than 60,000 visits a year. UH-TMC is the primary teaching hospital for the University of Missouri-Kansas City Schools of Medicine, Nursing, Pharmacy and Dentistry and specializes in chronic disease management, orthopedics, family medicine, women's health, and trauma services. University Health is proudly committed to providing equitable and accessible healthcare services to individuals with diverse backgrounds.

University Health Pharmacy Residency Programs partake in the NMS Match and therefore this residency agrees that no person at this residency will solicit, accept, or use any ranking-related information from any residency applicant.

Please contact abigail.hughes@uhkc.org emily.iglar@uhkc.org or christa.tetuan@uhkc.org with questions.
