What is your hometown?
Guaynabo, Puerto Rico

What are your medical practice interest?
Cardiology, Hematology-Oncology and Gastroenterology

Why did you choose the Unity Health Graduate Medical Education program?
I believe it has the qualities to help me grow as a physician and guide the future aspirations I have in the medical field.

What impact do you hope to have on the medical field?
To the best of my abilities be of service to the community and encourage a healthier lifestyle for them.

What hobbies, interests, or talents do you have outside of medicine?
I enjoy working out, hiking, drawing, reading and spending time with my family and friends.
