Where did you attend medical school?
International American University

What is your hometown?
San Antonio, TX

What are your medical practice interest?
Primary Care

Why did you choose the Unity Health Graduate Medical Education program?
Unity Health offers the opportunities for me to work in an area of great need and develop the skills to practice on my own.

What impact do you hope to have on the medical field?
I hope to bring more care to underserved areas.

What hobbies, interests, or talents do you have outside of medicine?
I love photography, watching Atlanta United and the Spurs play and spending time with my dogs.
