

# JYMIRAH MORRIS, M.D., EMERGENCY MEDICINE

## Where did you attend medical school?

University of Pittsburgh School of Medicine

## What is your hometown?

Atlanta, Georgia

## What is your medical practice interest?

Global health

## Why did you choose the Unity Health Graduate Medical Education program?

Interested in experiencing a comprehensive emergency medicine training program

## What impact do you hope to have on the medical field?

I hope to be the kind of physician who sets an example for diversity in the field. I also want to participate in research that promotes diversity, equity, and inclusion within the field.

## What hobbies, interests, or talents do you have outside of medicine?

Fashion, writing, bikram yoga, rollerskating, singing. I have a puppy and love spending time with him. I'm also a lover of board games and all things Marvel.
