

BAILEY FARR, M.D., TRANSITIONAL YEAR

Where did you attend medical school?

University of Arkansas for Medical Sciences

What other higher education, credentials, or certificates have you obtained?

Master of Science in Occupational Therapy (MSOT)

B.A. in Interdisciplinary Studies

What is your hometown?

Columbia, Tennessee

What is your medical practice interest?

Physical Medicine and Rehabilitation

Why did you choose the Unity Health Graduate Medical Education program?

I have lived in Searcy for 10 years and have had many great experiences with Unity Health. Everyone I interviewed with was kind and truly cared about their patients and their coworkers. I love the warm and friendly environment they offer to residents as well as the excellent training for my career as a physician.

What impact do you hope to have on the medical field?

I hope to create a safe and inclusive environment for my patients and that every one of my patients leaves knowing that they are cared for and appreciated.
