

ADAM FRANKAMP, D.O., FAMILY MEDICINE

Where did you attend medical school?

Arkansas College of Osteopathic Medicine

What is your hometown?

Tulsa, Oklahoma

What are your medical practice interest?

After Residency, I would love to open and own my own clinic.

Why did you choose the Unity Health Graduate Medical Education program?

I have always had an interest in programs that serve rural communities, Unity Health fits that bill very nicely.

What impact do you hope to have on the medical field?

A strong interest of mine is preventative medicine. I hope to contribute to that field.

What hobbies, interests, or talents do you have outside of medicine?

I've played guitar for 12 years.
