

# ALEXANDER BARNECET PEREZ, M.D., INTERNAL MEDICINE

## What is your hometown?

Guaynabo, Puerto Rico

## What are your medical practice interest?

Cardiology, Hematology-Oncology and Gastroenterology

## Why did you choose the Unity Health Graduate Medical Education program?

I believe it has the qualities to help me grow as a physician and guide the future aspirations I have in the medical field.

## What impact do you hope to have on the medical field?

To the best of my abilities be of service to the community and encourage a healthier lifestyle for them.

## What hobbies, interests, or talents do you have outside of medicine?

I enjoy working out, hiking, drawing, reading and spending time with my family and friends.
