

# PHILLIP AVILA, M.D. TRANSITIONAL YEAR

**Where did you attend medical school?**

St. George's University

**What is your hometown?**

Elmwood Park, Illinois

**What is your medical practice interest?**

Anesthesia

**Why did you choose the Unity Health Graduate Medical Education program?**

It provided me the opportunity to get the credentials and experience to become a more well-rounded physician.

**What impact do you hope to have on the medical field?**

I hope to be a competent and caring physician for all my patients.

**What hobbies, interests, or talents do you have outside of medicine?**

I enjoy trying new types of food, cooking, movies, and taking my dog out on walks.
