

JONATHAN MEIER, M.D., FAMILY MEDICINE

Where did you attend medical school?

University of Oklahoma

What is your hometown?

Edmond, Oklahoma

What is your medical practice interest?

Outpatient, sports medicine, veteran health

Why did you choose the Unity Health Graduate Medical Education program?

The small town community and breadth of training were appealing to me.

What impact do you hope to have on the medical field?

I want to improve access to care for lower income families and veterans.

What hobbies, interests, or talents do you have outside of medicine?

I spent 14 years as a Navy Seal before going to medical school. I enjoy hunting, playing and watching any sport I can, and spending time with my wife and three daughters.
