

MICHELLE HEITMANN, D.O., PSYCHIATRY

Where did you attend medical school?

Arkansas College of Osteopathic Medicine

What is your hometown?

Topeka, Kansas

What is your medical practice interest?

Inpatient psychiatry, and emergency psychiatry

Why did you choose the Unity Health Graduate Medical Education program?

During my audition rotation, I felt that this program was the best fit for me because of the overall support from the attendings and camaraderie between residents.

What impact do you hope to have on the medical field?

I hope to continue decreasing stigma surrounding mental health and to continue expanding access to mental health education and services to those in need.

What hobbies, interests, or talents do you have outside of medicine?

Video games, playing piano, cooking, and traveling
