

SETH BAYIRD, D.O., INTERNAL MEDICINE

Where did you attend medical School?

Arkansas College of Osteopathic Medicine

What is your hometown?

Paragould, Arkansas

What is your medical practice interest?

General Internal Medicine

Why did you choose the Unity Health Graduate Medical Education program?

I felt that Unity Health strikes a great balance between the care of a community hospital and training rigor of an academic center.

What impact do you hope to have on the medical field?

I hope to humanize the medical training process and work environment while helping to teach generations of skilled physicians.

What hobbies, interests, or talents do you have outside of medicine?

I love to play board games with my family, ride my bike, read, write and listen to podcast.
