Transportation

Plan year dates:

1/1/20-12/31/20

The time period during which you incur your transportation expenses

Maximum and minimum annual election:

\$265/mo pre tax
\$10/min mo pre tax
Unlimited post tax

The highest and lowest transportation election amount you can deduct from your paycheck per month

Date by which expenses must be incurred:

12/31/2020

The day by which all of your transportation expenses must have been incurred by you

Eligible transportation:

- o subway systems
- o rail services
- o bus services
- o ferries

Ineligible transportation:

- o carpooling
- o tolls
- o EZ Pass fees
- o public transportation expenses to attend leisure events
- o commuting expenses incurred by your spouse or dependent
- o mileage and gas expenses, even if incurred as part of commuting costs

Prepaid Benefit Card - How it works

- o Payroll deductions are taken one month prior to availability
- o Card cannot be swiped for more than monthly IRS maximums
- o Correct home zip code required for verification at certain locations

- o Prepaid Benefit card is mailed to home
- o If you already have a Prepaid Benefit card the funds will reload

Keep in mind

Manual reimbursements will no longer be accepted for the Transportation account.
Use of the Prepaid Benefit card will be the only option available.
