

BOTH HIPS REPLACED. HOME THE SAME DAY. THAT'S EXCEPTIONAL.

Jaime was told he would need two hip replacements, several months apart, which meant time away from work and family. Dr. Jakub Tatka at the White Plains Hospital Center for Orthopedics & Spine Surgery performed a minimally invasive anterior approach to replace both hips in just two hours, and the expert team had him walking out of the hospital that day.

WP White Plains Hospital
Exceptional. Every day.
