

AN INNOVATIVE KNEE SURGERY GOT SOPHIA OUT OF A BRACE AND BACK ON THE COURT. THAT'S EXCEPTIONAL.

When Sophia kept dislocating her kneecaps, she was given a temporary fix—a bulky leg brace and a seat on the sidelines. Dr. Steven Andelman at the White Plains Hospital Center for Orthopedics & Spine Surgery had a permanent solution. He and his team performed a trochleoplasty—a surgery so unique he's one of the only doctors in the U.S. qualified to do it. Now, Sophia is back on her feet and in the game.
