Re: **Boost HPV Vaccination Webinar Series**

Date: March 31, 2026

Gold Coast Health Plan (GCHP) would like to share the following resource available to providers:

The California HPV Vaccination Roundtable, in collaboration with the American Academy of Pediatrics, Orange County Chapter, is hosting a three-part interactive webinar series focused on evidence-based strategies to increase vaccination coverage in clinical settings. Individualized support from Vaccines for Children program Quality Improvement consultants will be offered to participating clinics.

Participants can earn one CME credit per webinar.

What you'll learn:

- **How to build trust and tailor messages** for vaccine-hesitant families, with Dr. Todd Wolynn, Executive Director, Trusted Messenger Program.
- **How to use the Announcement Approach** to confidently recommend HPV vaccine, with Dr. Irene Landaw, pediatrician and vaccine champion.
- **How to leverage CAIR and EHR** data to assess coverage and improve immunization practice, with California Immunization Registry (CAIR) experts.

Webinar Schedule
