AGENDA ITEM NO. 1

TO: Ventura County Medi-Cal Managed Care Commission

FROM: Scott Campbell, General Counsel

DATE: June 13, 2022

SUBJECT: Findings to Continue to Hold Remote Teleconference/Virtual Commission Meetings Pursuant to Assembly Bill 361

SUMMARY/RECOMMENDATION:

At its May 23, 2022, regular meeting, the Ventura County Medi-Cal Managed Care Commission (“Commission”) dba as Gold Coast Health Plan (“Plan”) made findings pursuant to Assembly Bill 361 to continue to meet remotely. To continue this practice, it is required, that the Commission determine that the COVID-19 state of emergency proclaimed by the Governor still exists and has been considered by the Commission in deciding to continue to have teleconference meetings and that state or local officials have imposed or recommended measures to promote social distancing in connection with COVID-19, and that as result of the COVID-19 emergency, meeting in person would present imminent risks to the health or safety of attendees. Because these findings must be made every thirty (30) days, it is time to remake the findings.

BACKGROUND/DISCUSSION:

Traditionally, the Brown Act allows for teleconference or virtual meetings, provided that the physical locations of the legislative body’s members joining by teleconference are posted on the agenda, that those locations are open to the public and that a quorum of the members is located within its jurisdiction. Newly enacted AB 361 provides an exception to these procedures in order to allow for fully virtual meetings during proclaimed emergencies, including the COVID-19 pandemic.

Since March of 2020 and the issuance of Governor Newsom’s Executive Order N-29-20, which suspended portions of the Brown Act relating to teleconferencing, the Commission and the Plan’s Committees have had virtual meetings without having to post the location of the legislative body members attending virtually. Most public agencies have been holding public meetings using virtual platforms since this time. In June of 2021, Governor Newsom issued Executive Order N-08-21, which provided that the exceptions contained in EO N-29-20 would sunset on September 30, 2021.

On September 10, 2021, the Legislature adopted AB 361, which allows public agencies to hold fully virtual meetings under certain circumstances without the posting of the agenda from each location a legislative body member is attending. Governor Newsom signed the bill into law on September 16, 2021. Because it contained an urgency provision, it took immediate effect.

Specific Findings Required under AB 361

Under AB 361, the Commission, can hold virtual meetings without providing notice of the Commissioner's teleconference location if the Commission makes the determination that there is a Governor-proclaimed state of emergency which the Commission will consider in their determination, and one of two secondary criteria listed below exists:

1. State or local officials have imposed or recommended measures to promote social distancing in connection with COVID-19; or
2. The Commission determines that requiring a meeting in person would present an imminent risk to the health or safety of attendees.

COVID-19 continues to present an imminent threat to the health and safety of Commission members, and its personnel, and the Governor's declaration of a COVID-19 emergency still exists. Although vaccines are now widely available, many people in the State and County are still not fully vaccinated and remain susceptible to infection. Additionally, several Commissioners attend meetings in medical facilities or offices, and allowing members of the public to attend meetings at these posted locations when they may not be vaccinated would pose a threat to the health or safety of attendees. Further, a new variant is spreading through the county and world and social distancing requirements still exist.

Re-Authorization is Required Within 30 Days

The Commission made the findings listed above at its October 25, 2021 and at many following meetings, Consistent with the provisions of Government Code Section 54953(e), the findings must be made every 30 days "after teleconferencing for the first time" under AB 361. Thus, if the Commission desires to continue to meet remotely without having to post the location of each teleconference location, the Commission must again find that the COVID-19 emergency still exists and that one of the two following findings can be made: that state or local officials have imposed or recommended measures to promote social distancing in connection with COVID-19, or, that a result of the COVID-19 emergency, meeting in person would present imminent risks to the health or safety of attendees.

It is recommended that the Commission make these findings.

CONSEQUENCES OF NOT FOLLOWING RECOMMENDED ACTION:

The Commission will have to follow the Brown Act provisions that existed prior to the COVID-19 pandemic.

FOLLOW UP ACTION:

That the Commission make the findings under AB361 at its June 27, 2022, Regular Commission meeting.
